4.b. Status of Sheldon Project

Concerns were voiced about the project not being built and construction timelines. The Galleria was used as an example to not follow. Concerns were also voiced that it will become a Section 8 HUD project and will not bring business to Main Street. It is believed that there was a parking study performed for this project, however, it has not been requested by the Main Street Commission at this time.

4.c. Status of Street Repairs

Street repairs are projected to start the second week of February.

4.d. Status of College Parking Lot

A proposal was sent to Gary Brown created by the college; the Downtown Business Association will review it and it was sent to the new manager of the car show, Retro Rick.

5. Matters from Commissioners:

Car show is under a new manager, Retro Rick. It is hopeful that this will improve the car show.

There is a vision of holding a swap meet in the west parking lot.

Thank you to Dina Nguyen for promoting BIGG

It is also hopeful that the City website to have streaming video of Main Street.

The Farmers Market is still ongoing

Thank you Ann and the City for their support of the Main Street commission-there are other items the Chair Katz would like to do should he remain on this Commission. There is new media available to help promote Main Street and keep it a viable part of the community. Communications open with the police department to have an event in August for National Night out.

6. Adjournment:

The meeting was adjourned at 10:00 a.m. The next meeting of the Garden Grove Main Street Commission will meet on Thursday, March 10, 2011 at 9:00 a.m. in the Council Chambers at 11301 Stanford Avenue.
