INTER-DEPARTMENT MEMORANDUM

To: Scott Stiles
Dept: City Manager
Subject: OFFICE OF ECONOMIC DEVELOPMENT UPDATES FOR FISCAL YEAR 2018-19

From: Lisa Kim
Dept: Community and Economic Development
Date: June 27, 2019

OBJECTIVE

The purpose of this memorandum is to provide a summary of the business development activities that the Office of Economic Development has implemented during Fiscal Year 2018-19.

BACKGROUND

In October 2018, the Office of Economic Development (OED) brought forward an updated Economic Development Strategic Plan designed to address specific economic development goals: increase and diversify the City's tax base, create and retain jobs within the City, address sales tax leakage, create new markets, and build local and regional relationships to aid in the advancement of the City's Economic Development efforts. The OED continues to leverage partnerships with the development and investment community to assist in the implementation of the Strategic Plan.

DISCUSSION

The OED maintains a proactive presence in its business development activities, which include business attraction, business retention, and marketing efforts. Provided is a brief summary of activities.

1. Garden Grove Chamber of Commerce ABRB Contract

Through an annual agreement, collaboration with the Garden Grove Chamber of Commerce (the "Chamber") is ongoing in which extensive business development outreach and support for Fiscal Year 2018-19 is provided. The Chamber efforts includes a comprehensive Ambassador/Business Retention Bureau (ABRB) program that works with the City of Garden Grove to assist in implementing the Economic Development Strategic Plan as follows:

OFFICE OF ECONOMIC DEVELOPMENT UPDATE

June 27, 2019

Page 2

- Welcome new businesses into the City.
- Facilitate contact with local businesses to assess and address their needs and concerns.
- Maintain stakeholder relationships with Garden Grove Tourist Promotion Corporation (GGTPC).
- Sponsor and program up to forty (40) community business events annually, including: quarterly Chamber meetings, Business Mixers, Multi-Chamber Mixers, Government Affairs Committee Meetings, and annual events that include business expos, State of the City Luncheon, Gala Dinner, Golf Tournament, Leadership Installation Luncheon, Bowling Tournament, BiGG Promotions, Candidates Forum, and other business events.
- Partner with City to provide a quarterly Small Business Development Center (SBDC) Workshop Series by promoting resources to the Garden Grove business community and other multi-cultural chambers.
- Assist the City with promotion of City sponsored activities and programs.
- Provide ongoing business development referrals of new businesses considering relocation or start-up into the City.

A copy of the ABRB 2018-19 summary report of accomplishments is attached for your review.

2. Broker Outreach Program (Marketing)

The Broker Outreach Program is a direct marketing initiative with local brokerage firms to communicate development activity happening in Garden Grove. It provides a forum that fosters open lines of communication with the brokerage community who are on the front line when it comes to key businesses and tenants looking to expand, relocate, or start-up. Several Broker Outreach meetings have been planned in 2019 with active commercial teams including: Newmark Knight Frank, Cushman and Wakefield, and Voit Commercial.

3. Relationship Building Network (RBN)

The OED team participated in Orange County's Major Business Expo, sponsored by Relationship Building Network (RBN). The expo was held on February 26, 2019 at the Great Wolf Lodge Southern California. Economic Development information about investment and development opportunities available in Garden Grove were highlighted, as well as networking with other business exhibitors and participants.

4. Korean American Chamber of Commerce of Orange County (KACCOC)

The OED serves as a board member of the KACCOC and is also a sub-committee member of the Business Expo Committee. The City exhibited at the Annual 2018 OC Asian Business Expo held at the Great Wolf Lodge on September 13, 2018.

5. Small Business Development Center (SBDC) Workshop Series

In conjunction with several of local Chambers of Commerce and SBDC Orange County, a series of quarterly workshops took place to provide small business entrepreneurs with resources and tools to enhance business success. Provided below is a list of SBDC workshops offered in FY 2018-19:

Date	Topic
July 10, 2018	Small Business Jump Start
July 25, 2018	The Art of Creating A Successful Business Plan
May 7, 2019	She Soars on Amazon
June 19, 2019	Going Global on Amazon & E-Commerce Opportunities

6. Service Corps of Retired Executives (SCORE) Workshops Series

The Office of Economic Development has continued to partner with SCORE to sponsor quarterly workshops dedicated in assisting small businesses in planning a new business, marketing & sales, and finance. SCORE is a nonprofit association dedicated to helping small businesses gets off the ground, grow, and achieve their goals through education and mentorship. The recent and upcoming SCORE Workshops include the following:

Date	Topic
July 24, 2018	Avoiding Employment Related Litigation
Sept 25, 2018	Making a DIY Video for Your Business
Oct 23, 2018	Work Smarter, Not Harder...Word Press for Small Business
Nov 27, 2018	Buy/Sell & Valuation of a Business
Jan 22, 2019	Creating Awesome Images for Business!
Mar 26, 2019	Making a DIY Video for Your Business
April 23, 2019	Business Killers Series – Top Mistakes Causing Businesses to Fail
June 25, 2019	The Power of PCC Advertising: Google Ads, Bing Ads & Paid Search In Action

7. International Trade Engagement

The International Trade Expanding Borders Initiative continues its efforts of providing valuable economic opportunities for local businesses by bringing global partners and resources to the community through informational workshops.

In collaboration with the Hong Kong Trade Development Council, the City hosted the Orange County Manufacturer’s Roundtable & International Connection Workshop on Tuesday, March 5, 2019. The workshop consisted of presentations, panel discussions, exhibitors, information sessions, and a consultation session.

On March 28, 2019, the City hosted the District Export Council of Southern California Plenary Meeting. Members of the Council are all appointed by the U.S. Secretary of Commerce based on their experience and expertise in international trade. The event provided the City an opportunity to continue to build partnerships and alliances with agencies and organizations for the purpose of promoting local business growth.

8. Small Business Tax Seminar and Resource Expo

In partnership with Assembly Member, Tyler Diep, and Orange County Supervisor, Andrew Do, the City hosted a Small Business Tax Seminar & Resource Expo on May 3, 2019. The event provided an opportunity to perform outreach to all local business owners through collaboration with various agencies on the following topics:

Partner Agency	Topic
California Department of Tax and Fee Administration	Sales and Use Tax Basics
Franchise Tax Board	Forms of Ownership
Employment Development Department	Employee or Independent Contractor
Internal Revenue Service	Better Business Through Better Records
Governor’s Office of Business and Economic Development	Go-Biz, State Tax Credit, Exemptions & Financing Instruments

9. Business Visits

In partnership with the Garden Grove Chamber of Commerce, Economic Development staff visit businesses throughout the year to engage the business community. These regular meetings provide an informational exchange that allows the City to better customize its efforts to meet the needs of small-to-medium sized companies.

Date	Business
Aug 13, 2018	Enviser
Sept 11, 2018	Sheraton Garden Grove - Anaheim South Hotel
March 4, 2019	Quantum Auto Sales Inc.
March 19, 2019	Big D Floor Covering Supplies
June 4-12, 2019	Garden Grove Nissan, Garden Grove Toyota, Simpson Chevrolet Westbrook Hyundai, Volkswagen of Garden Grove, Garden Grove KIA

10. Rebranding Buy in Garden Grove

In collaboration with the Office of Community Relations, the City's Shop Local Initiative, Buy in Garden Grove is undergoing a rebranding to further expand discounts, promotions and resources to local residents and businesses. In addition to an interactive website, new logo, and staycation packages, promotions, a new Vehicle Rebate Program (VRP) will be launched. The VRP is a part of the rebranding of the BiGG Program to offer Garden Grove residents and businesses a \$500 rebate when purchasing a new car or truck from one of the six franchised local auto dealers. The VRP program will start July 1, 2019.

- E-blasts through Constant Contact of our events, members events, City events each month
- Quarterly Magazine mailed out to members and community businesses updating them on events, Government Affairs legislation, membership, etc....

Please let me know if there is any further information you would like from me.

Regards,

Cindy Spindle,
CEO/President

City of Garden Grove

INTER-DEPARTMENT MEMORANDUM

To: Scott Stiles
Dept: City Manager
Subject: INVESTMENT REPORT
FOR MAY 2019

From: Ellis Chang
Dept: Finance
Date: June 25, 2019

Enclosed is the May 2019 Investment Report which shows the financial institutions, types of investment instruments, monthly transactions, current month interest received, and the par and fair market value of investments held. The month-end cash in the bank and petty cash balances are also listed on the Cash and Investment Report. The pie chart (please see chart on attachment A) reflects the investment instruments as a percentage of the total portfolio.

This investment portfolio meets State guidelines and adheres to the City's investment policy. As of May 2019, the City's total portfolio is invested in:

Type of Investment	Total Investment	% of Investment
US Treasury	\$46,500,000	17.586%
Fed Home Loan Banks	\$57,250,000	21.652%
Fed Farm Credit Banks	\$49,500,000	18.721%
Fed Nat Mort Assoc	\$36,000,000	13.615%
Fed Home Loan Mtg Corp	\$3,000,000	1.135%
City LAIF	\$57,463,750	21.732%
Cash with Fiscal Agents	\$14,700,489	5.560%
Total	\$264,414,239	100.000%

The cash with fiscal agents is restricted as they are funds held and invested by an outside fiscal agent. The restrictions were set forth in the related bond indentures. As of May 2019, 5.560% of the portfolio is restricted.

In summary, the investment portfolio is secured and the City has the necessary cash to pay its bills for six months in a timely manner. Please call me at extension #5060 if you have any questions.

Transportation Corridor Agency (TCA) UPDATE - New Sticker Transponder for the Toll Roads

From : Tony Cardenas <tcardenas@cacities.org> Tue, Jun 25, 2019 11:06 AM
Subject : Transportation Corridor Agency (TCA) UPDATE - New Sticker Transponder for the Toll Roads 9 attachments
To : Tony Cardenas <tcardenas@cacities.org>

Orange County Division Members,

The following is an update from the Transportation Corridor Agency (TCA), a League of California Cities Partner. If you have any specific questions regarding their new program, please contact David Simpson at dsimpson@thetollroads.com.

TCA is conducting a comprehensive community outreach effort to educate the public about the new "sticker transponders" that will replace the hard-case transponders. We would appreciate the City's efforts in getting the word out to your businesses and residents through your various communications platforms.

Key items of note:

- The FasTrak sticker transponders will be immediately interoperable throughout the state at all toll facilities.
- They are smaller, sleeker and less visible than the larger, boxier hard-case transponder.
- There will no longer be a \$2 per month user fee for those who have a transponder, but don't use or rarely use the toll roads.
- If you have a "switchable" transponder (a transponder with a "1-2-3" switch), you can keep it to use on the toll lanes that offer a reduced rate for multiple passengers in your car. The system will read both the sticker transponder and the hard-case transponder, but will charge the lower of the two rates.
- If you choose to dispose of your hard-case transponder, please treat it just like you would used batteries and dispose of it safely. You can find out more about proper disposal at <https://calrecycle.ca.gov/ReduceWaste/Batteries>
- If you have a motorcycle or a metalized windshield, you'll want to call customer service at 949-727-4800.
- No more beep! The sticker transponders are silent.

- You DO have to stick the sticker transponder to your windshield. It won't read if you have it in your glove compartment or elsewhere in your vehicle.
- Once you stick it on your windshield it has to stay there. If you try to pull it off, the antenna in the sticker will break and it'll be unusable. If you accidentally break it, contact customer service at 949-727-4800 and they can provide you a new sticker transponder.

Here is a link to a video for how to install the sticker. Also attached is a printable fact sheet and also attached is our news release. Also attached are some images that might be useful for your social media platforms.

Copy of the news release is below if that is helpful for cut & paste needs.

FasTrak Customers, You've Got Mail.

Orange County's Toll Roads Send New Free Sticker Transponders to 700,000+ FasTrak Accountholders

IRVINE, Calif. (June 10, 2019) – Beginning this month, The Toll Roads of Orange County are mailing 15,000 new sticker transponders per weekday to FasTrak® accountholders to replace the hard-case transponders currently in use. The new transparent, bandage-size transponder is free and adheres to the inside of a windshield to collect tolls.

Communication began in April, notifying more than 650,000 FasTrak accountholders of the approaching introduction of sticker transponders by sending an informational postcard and issuing new license agreements. Customers will receive one sticker transponder for each vehicle listed on the account.

Equipped with state-mandated technology, the new sticker transponder works on all California's toll bridges, lanes and roads and may eventually be used nationwide. The Toll Roads are the first tolling agency in the state to make the transition to sticker transponders and allows The Toll Roads to simplify payment options for its more than 1.5 million accountholders.

FasTrak customers continue to pay tolls automatically from a pre-established, prepaid account. And beginning in October 2019, FasTrak customers can choose to "Pay as You Go" and have tolls charged to a credit card as they are incurred. Starting July 1, The Toll Roads are also eliminating TCA's monthly account maintenance fee for FasTrak accounts – a potential average savings of nearly \$50 per year.

Here's what to remember when you receive your new sticker transponder in the mail:

- **Adhere the sticker transponder to your windshield** – Follow the mounting instructions on the sticker packaging or website TheTollRoads.com/sticker.
- **Don't adjust the sticker transponder** – Moving or adjusting it once adhered will cause it to break and become unusable. If this happens, a replacement can be ordered online or via The Toll Roads app.
- **Recycle your old transponder** – If you have an old standard hard-case FasTrak transponder, you can dispose of it the way you would a battery. But, if you carpool on designated express lanes throughout California, keep using your switchable FasTrak transponder to be eligible for carpool discounts.

Orange County's 51-miles of Toll Roads make up the largest network of toll roads in California. The 73, 133, 241 and 261 Toll Roads remain the fastest, easiest and most predictable way to get to and through Orange County.

###

The Transportation Corridor Agencies (TCA) are two joint powers authorities formed by the California legislature in 1986 to plan, finance, construct and operate Orange County's public toll road system. Fifty-one miles of the system are complete, including the 73, 133, 241 and 261 Toll Roads. TCA continues to meet the region's growing need for congestion-free transportation alternatives.

FasTrak Customers, You've Got Mail.
*Orange County's Toll Roads Send New Free Sticker Transponders
to 700,000+ FasTrak Account Holders*

IRVINE, CA (June 6, 2019) – Beginning this month, The Toll Roads of Orange County are mailing 15,000 new sticker transponders per weekday to FasTrak® account holders to replace the hard-case transponders currently in use. The new transparent, bandage-size transponder is free and adheres to the inside of a windshield to collect tolls.

Communication began in April, notifying more than 650,000 FasTrak account holders of the approaching introduction of sticker transponders by sending an informational postcard and issuing new license agreements. Customers will receive one sticker transponder for each vehicle listed on the account.

Equipped with state-mandated technology, the new sticker transponder works on all California's toll bridges, lanes and roads and may eventually be used nationwide. The Toll Roads are the first tolling agency in the state to make the transition to sticker transponders and allows The Toll Roads to simplify payment options for its more than 1.5 million account holders.

FasTrak customers continue to pay tolls automatically from a pre-established, prepaid account. And beginning in October 2019, FasTrak customers can choose to "Pay as You Go" and have tolls charged to a credit card as they are incurred. Starting July 1, The Toll Roads are also eliminating TCA's monthly account maintenance fee for FasTrak accounts – a potential average savings of nearly \$50 per year.

Here's what to remember when you receive your new sticker transponder in the mail:

- **Adhere the sticker transponder to your windshield** – Follow the mounting instructions on the sticker packaging or website TheTollRoads.com/sticker.
- **Don't adjust the sticker transponder** – Moving or adjusting it once adhered will cause it to break and become unusable. If this happens, a replacement can be ordered online or via The Toll Roads app.
- **Recycle your old transponder** – If you have an old standard hard-case FasTrak transponder, you can dispose of it the way you would a battery. But, if you carpool on designated express lanes throughout California, keep using your switchable FasTrak transponder to be eligible for carpool discounts.

Orange County's 51-miles of Toll Roads make up the largest network of toll roads in California. The 73, 133, 241 and 261 Toll Roads remain the fastest, easiest and most predictable way to get to and through Orange County.

The Toll Roads[®] of Orange County

STICKER TRANSPONDERS: BIGGER ISN'T ALWAYS BETTER

The Toll Roads have begun sending new small, durable and free sticker transponders to FasTrak[®] accountholders. The transparent, bandage-size transponder adheres to the inside of your windshield to collect tolls.

I Received My Sticker Transponder. Now What?

ADHERE THE STICKER TRANSPONDER TO YOUR WINDSHIELD

Follow the mounting instructions on the sticker packaging and on our website TheTollRoads.com/sticker

DON'T ADJUST THE STICKER TRANSPONDER

Moving or adjusting it once adhered will cause it to break and become unusable. If this happens, you can get a replacement online or via The Toll Roads app.

WHAT DO I DO WITH MY OLD TRANSPONDER?

If you have an old standard FasTrak transponder, you can dispose of it the way you would a battery.

METALIZED WINDSHIELDS & MOTORCYCLES

If you have a motorcycle or vehicle with a metalized windshield listed on your account, contact The Toll Roads' Customer Service Call Center for information on the transponder best suited for your needs.

CARPOOL DISCOUNTS

If you carpool on designated express lanes throughout California, keep using your switchable FasTrak transponder(s) to be eligible for carpool discounts. For more information on carpooling with FasTrak, visit TheTollRoads.com/California.

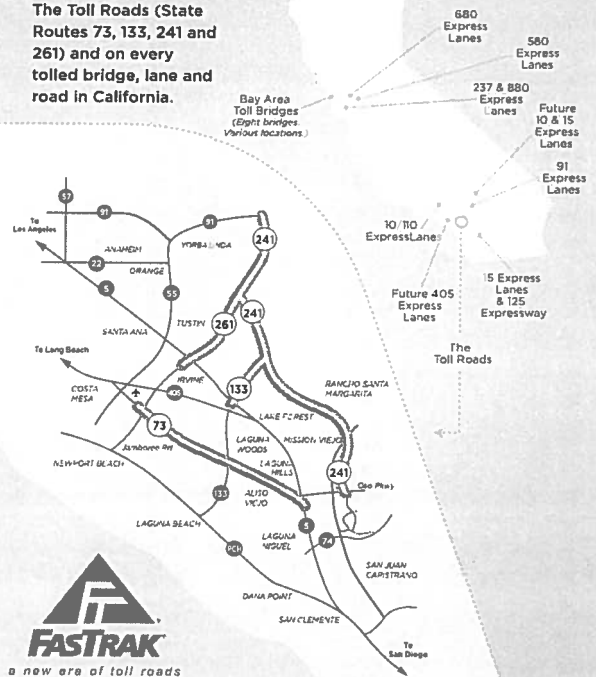

Starting July 1, The Toll Roads are **eliminating the monthly account maintenance fee**—a potential savings of nearly **\$25 a year**.

Visit TheTollRoads.com/sticker to learn more or sign up for an account.

FasTrak in California

Your FasTrak sticker transponder works on The Toll Roads (State Routes 73, 133, 241 and 261) and on every tolled bridge, lane and road in California.

DRIVE AND PAY YOUR WAY

AUTOMATICALLY

Frequent driver? Pay tolls automatically from a pre-established, prepaid account that can be replenished using credit card, cash or check. Prepaid accountholders are eligible for discounted toll rates at all tolling points on The Toll Roads.

PAY-AS-YOU-GO

Prefer to pay-as-you-go? Have tolls **charged** individually to a credit card at the end of the day.

ONLINE

If you are an infrequent driver of The Toll Roads, or are visiting Orange County, you can pay online using the **Pay Toll Now** function on TheTollRoads.com or on our app (available on Google Play and the App Store).

Can I Move The FasTrak Sticker Transponder From Car To Car?

No. The sticker must be adhered to the inside of the windshield and cannot be moved or adjusted or it will break and become unusable. You will be able to order additional sticker transponders for each vehicle that you have on your account.

Can I Still Use My Switchable, Hardcase Transponder For Carpool Discounts On Other FasTrak Bridges, Lanes And Roads?

Yes. Keep your switchable FasTrak transponder(s) to be eligible for carpool discounts on designated express lanes throughout California. You can have, both, your sticker transponder and switchable transponder mounted to your windshield at the same time. The switchable transponder becomes the default transponder and the appropriate toll will be collected based on the settings on the switchable transponder. For information on carpooling with FasTrak, visit: [TheTollRoads.com/Accounts/FasTrak/California](https://www.thetollroads.com/Accounts/FasTrak/California).

Do Motorcycles Use Sticker Transponders?

If you have a motorcycle listed on your account, you can request a motorcycle sticker transponder by calling our Customer Service Call Center at 949-727-4800.

Do Sticker Transponders Work On Metalized Windshields?

If you have a vehicle with a metalized windshield listed on your account, you can request an external headlamp sticker transponder by logging into your account at [TheTollRoads.com](https://www.thetollroads.com). Once logged in, select "Transponders" and "Request" a headlamp sticker. You can also request one by calling our Customer Service Call Center at 949-727-4800.

How Do I Pay Tolls If I Am Driving A Rental/Loaner Vehicle?

Do not put a sticker transponder in a rental/loaner vehicle. Instead, temporarily add the rental/loaner vehicle's license plate to your account. License plate recognition will collect the toll(s) via your account using the payment method of your choice.

You can also pay tolls incurred by a rental/loaner vehicle at [TheTollRoads.com](https://www.thetollroads.com), The Toll Roads free app or through your rental company. To learn more, visit [thetollroads.com/help/rentals](https://www.thetollroads.com/help/rentals)

If I Have A Sticker And A Hardcase Transponder, Will I Be Charged Two Times?

No, only one transponder will be charged, even if you have both a sticker and a hardcase transponder in the vehicle.

What Do I Do With My Hardcase Transponder?

Keep your switchable FasTrak transponder(s) to be eligible for carpool discounts on designated express lanes throughout California. You can have, both, your sticker transponder and switchable transponder mounted to your windshield at the same time. The switchable transponder becomes the default transponder and the appropriate toll will be collected based on the settings on the switchable transponder. For information on carpooling with FasTrak, visit: [TheTollRoads.com/Accounts/FasTrak/California](https://www.thetollroads.com/Accounts/FasTrak/California).

If you have an old standard FasTrak transponder (with no small black switch), you can choose to dispose of it the way you would a battery or other hazardous household waste. For more information: [CalRecycle.ca.gov/ReduceWaste/Batteries](https://www.calrecycle.ca.gov/ReduceWaste/Batteries).

When Will I Receive My New Sticker Transponder?

We will begin distributing FasTrak sticker transponders to new and existing accountholders, at no charge, in June 2019.

Which Toll Roads Can I Use With The Sticker Transponder?

A FasTrak sticker transponder can be used to pay tolls electronically on every tolled bridge, lane and road in California.

Will The Sticker Transponder Beep?

No, sticker transponders do not beep when passing through a tolling location. New tolling technology means beeping transponders are a thing of the past. If, for some reason, a toll isn't collected based on a reading of a transponder, the toll is collected using a photograph of the vehicle's license plates. So, make sure the vehicle information listed on your account is up-to-date.

NOTICE OF SOUTHERN CALIFORNIA GAS COMPANY'S REQUEST FOR COMPENSATION THROUGH THE GAS COST INCENTIVE MECHANISM APPLICATION NO. A.19-06-009

CITY OF GARDEN GROVE
 CITY CLERK'S OFFICE
 2019 JUN 20 AM 11: 20

On June 14, 2019, Southern California Gas Company (SoCalGas®) filed Application (A.19-06-009) with the California Public Utilities Commission (CPUC) to request approval of its management of savings incurred during the purchase of natural gas for its customers.

Natural gas purchases are reviewed through a mechanism referred to as the Gas Cost Incentive Mechanism (GCIM). The CPUC authorized the GCIM as a means of encouraging utilities to seek the best rates available for natural gas. Under the GCIM, a target price is set and if the utility secures a better rate, the savings is shared with customers and shareholders. If a higher rate is paid, the utility must absorb a portion of the higher rate. SoCalGas shares the savings with its "Core" customers, that is, customers who rely on the utility for all their natural gas needs, including both gas transportation and gas commodity service.¹

In the latest GCIM year, SoCalGas purchased natural gas at \$105.5 million below the target price during the program period of April 1, 2018, to March 31, 2019. Using the CPUC's formula to determine the incentive for purchasing gas below the target price, SoCalGas is holding \$16.8 million for its shareholders. This means that these purchases provided customers a benefit of \$88.7 million in lower gas costs. In this application, SoCalGas requests that the CPUC approve SoCalGas' reward of \$16.8 million. **If the CPUC approves this request, there will be no additional change in customer rates from this application. If the CPUC approves less than \$16.8 million for SoCalGas shareholders, the difference will be credited to customers through a rate decrease. If the CPUC approves more than \$16.8 million for SoCalGas shareholders, the difference will be charged to customers through a rate increase.**

EFFECT ON GAS RATES AND BILLS

A typical residential customer's average monthly bill for 34 therms of gas increased by 15 cents/month, from \$45.14 to \$45.29. A typical residential customer's monthly summer bill for 22 therms of gas increased by 9 cents/month, from \$31.96 to \$32.05 /month.

The impact on each customer and customer class will vary depending on individual usage and the final decision by the CPUC. Based on SoCalGas' request, the rate impact for each customer class is represented below. **This chart represents an increase that has already taken place on your bill due to the GCIM program.**

Customer Class	GCIM Reward \$millions	GCIM Reward as % of Total Rate
Residential	\$11.7	0.4%
Commercial/Industrial	\$4.5	0.5%
Natural Gas Vehicles	\$0.6	0.7%
Other Core	\$0.1	0.7%
Total	\$16.8	0.4%

¹ Residential, commercial and industrial customers can qualify as "Core" customers under that general description.

FOR FURTHER INFORMATION

You may request additional information by writing to: Joseph Mock, Southern California Gas Company (SoCalGas), 555 W. Fifth Street, GT14D6, Los Angeles, CA 90013-1011. SoCalGas' application and attachments may also be inspected at the CPUC office located at 505 Van Ness Ave., San Francisco, CA 94102.

Copies of this application will be available for viewing and printing on the SoCalGas website at: socalgas.com/regulatory/cpuc.shtml.

Copies of this insert will be available for viewing and printing on the SoCalGas website at socalgas.com/regulatory.

A copy of the application can also be viewed at the CPUC's Central Files in San Francisco by appointment. For more information, please contact them at aljcentralfilesid@cpuc.ca.gov or (415) 703-2045.

CPUC PROCESS

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents necessary for the CPUC to establish a record upon which to base its decision. Evidentiary Hearings (EHs) may be held where parties of record will present their testimony and may be subject to cross-examination by other parties. These EHs are open to the public, but only those who are parties of record can participate.

After considering all proposals and evidence presented during the formal hearing process, the assigned Judge will issue a proposed decision which may adopt SoCalGas' proposal, modify it or deny it. Any CPUC Commissioner may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The California Public Advocates Office (CalPA) may review this application. CalPA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. CalPA has a multi-disciplinary staff with expertise in economics, finance, accounting and engineering. For more information about CalPA, please call (415) 703-1584, e-mail PublicAdvocatesOffice@cpuc.ca.gov or visit CalPA's website at www.publicadvocatesoffice.ca.gov/.

STAY INFORMED

If you would like to follow this proceeding, or any other issue before the CPUC, you may use the CPUC's free subscription service. Sign up at: <http://subscribecpuc.cpuc.ca.gov/>. If you would like to learn how you can participate in the proceeding, have informal comments, or if you have questions about the CPUC processes, you may access the CPUC's Public Advisor's Office webpage at <http://www.cpuc.ca.gov/pao/>. You may also contact the Public Advisor's Office as follows:

Write: CPUC Public Advisor's Office
505 Van Ness Avenue
San Francisco, CA 94102

Email: public.advisor@cpuc.ca.gov

Phone: 1-866-849-8390 (toll-free) or 1-415-703-2074
TTY 1-866-836-7825 (toll-free) or 1-415-703-5282

Please reference **SoCalGas' GCIM Application No.19-06-009** in any communications you have with the CPUC regarding this matter. All public comments will become part of the public correspondence file for this proceeding and made available for review for the assigned Judge, the Commissioners and appropriate CPUC staff.

Construction News Week of June 24, 2019

Road demolition and sewer installation work along the project route continues, with work generally moving from west to east. Sewer installation activities include excavation, trenching, installation of sewer pipelines, and road work and restoration. Sewer installation work requires temporary parking and lane restrictions.

Crews will continue to perform water pipeline work and storm drain installation work along the project route, which requires temporary lane and sidewalk restrictions.

Access will be maintained for all residents and businesses.

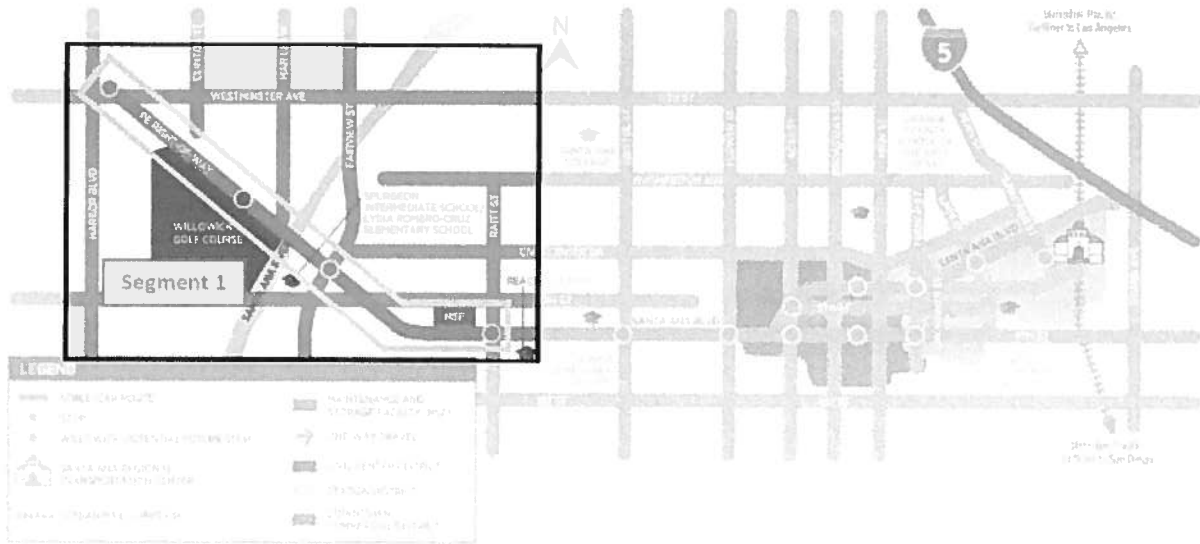

For specific work activities in your area, see the segment overviews and maps below. All scheduled activities are weather permitting and are subject to change.

Si tiene alguna pregunta acerca del proyecto del OC Streetcar, llame a Robert Chevez al (909) 714-0172.

SEGMENT 1 CONSTRUCTION ACTIVITIES **Intersection of Harbor Blvd. and Westminster Ave. to Raitt St.**

Over the next two weeks, Segment 1 construction activities will include:

- Preliminary work at the site of the future Maintenance Storage Facility
- Excavations within Pacific Electric Right-of-Way (PEROW) for guideway installation
- Installation of storm drains within the PEROW
- Work at the Santa Ana River Bridge

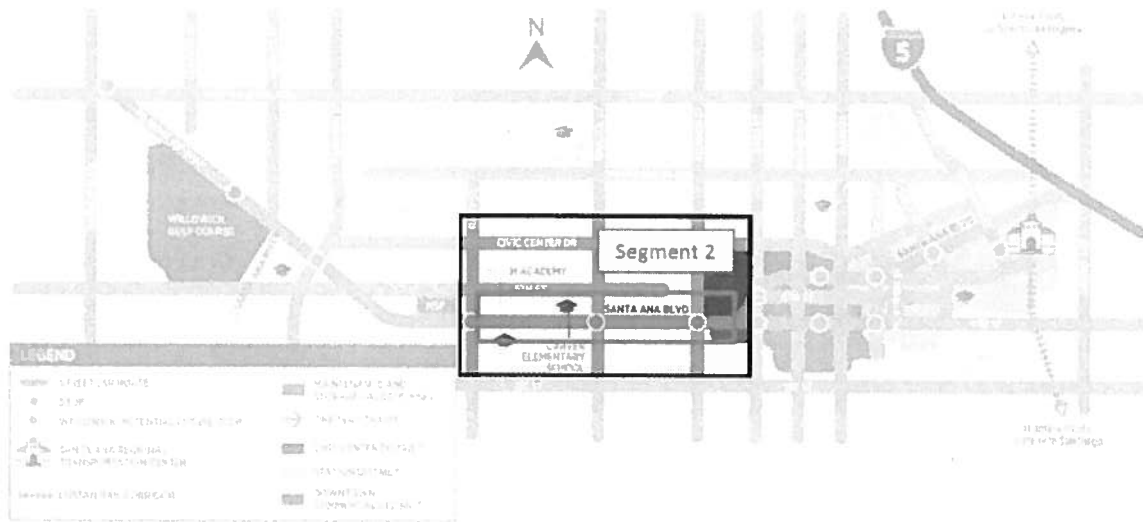

SEGMENT 2 CONSTRUCTION ACTIVITIES

Raitt St. to Parton St.

Over the next two weeks, Segment 2 construction activities will include:

- Sanitary sewer installation from Raitt Street to Flower Street
- Water pipeline work at the intersection of W. Santa Ana Boulevard and Bristol Street

Sewer installation work will generally move west to east and will require temporary lane and parking closures on W. Santa Ana Boulevard. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

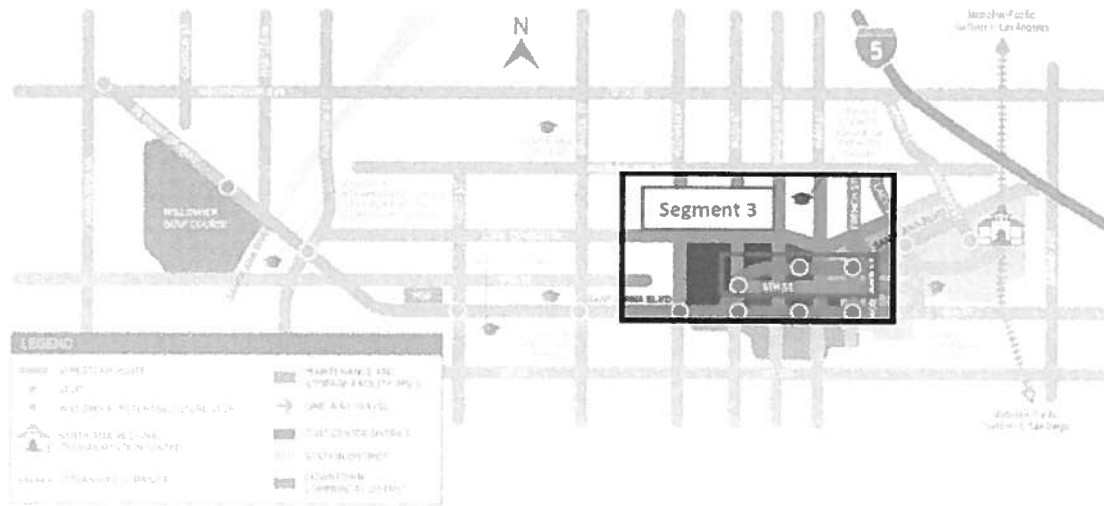

SEGMENT 3 CONSTRUCTION ACTIVITIES

Ross St. to Mortimer St.

Over the next two weeks, Segment 3 construction activities will include:

- Water pipeline work on Santa Ana Boulevard, at Ross Street and on Santa Ana Boulevard, at French Street.
- Preparation for water line installation.

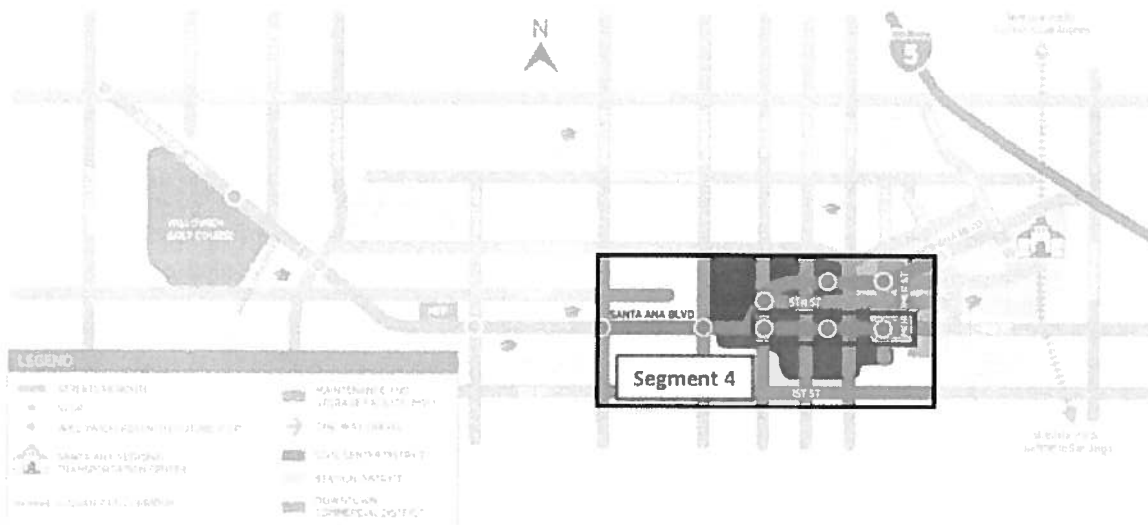

SEGMENT 4 CONSTRUCTION ACTIVITIES Ross St. to Mortimer St.

Over the next two weeks, Segment 4 construction activities will include:

- Potholing and water pipeline work on 4th Street, at Spurgeon Street.
- Sanitary sewer installation from French Street to Mortimer Street.
- Storm drain installation on 4th Street, at Sycamore Street.

Sewer installation work will generally move west to east and will require temporary lane and parking closures on Fourth Street. If visiting residents or businesses in the work zone, please ask crews to assist you in accessing the driveways. They can pull plates over the work area to facilitate entering and exiting.

SEGMENT 5 CONSTRUCTION ACTIVITIES Mortimer St. to SARTC

Over the next two weeks, Segment 5 construction activities will include:

- Potholing and saw cutting from Mortimer Street to Santiago Street

Safety of the crews and community is our top priority. Please slow down near work sites and follow pedestrian instructions.

About the Project

OC Streetcar is the first modern streetcar project to be built in Orange County and will serve Santa Ana's historic and thriving downtown, which includes federal, state and local courthouses, government offices, colleges, an artists' village and a thriving restaurant scene. Expected to begin carrying passengers in 2022, it will operate along a 4.15-mile route that connects the Santa Ana Regional Transportation Center (SARTC) and a new transit hub at Harbor Boulevard and Westminster Avenue in Garden Grove.

ARTILLERY SALUTE TO HIGHLIGHT 40th INFANTRY DIVISION CHANGE OF COMMAND CEREMONY AT JOINT FORCES TRAINING BASE

LOS ALAMITOS, Calif. – The sound of artillery fire will echo across communities surrounding Joint Forces Training Base (JFTB) and Los Alamitos Army Airfield (LAAAF) on Saturday, June 29, commemorating the change of command of the California Army National Guard's storied 40th Infantry Division.

The traditional artillery salute by M119 howitzers of the Cal Guard's Bravo Battery, 1st Battalion, 143rd Field Artillery Regiment, will highlight the formal ceremony at which Brig. Gen. Laura Yeager will formally assume command from Maj. Gen. Mark Malanka. With the assumption of command, Yeager will become the first woman in history to lead a U.S. Army Infantry Division.

The ceremony, which is open to the public, is scheduled to get underway at 11 a.m.

Test firing of the artillery will take place on Friday (June 28) and early Saturday morning in conjunction with ceremony rehearsals.

For additional information, please contact Col. (CA) Richard Lalor at (562) 795-2096 or via email at richard.w.lalor2.nfg@mail.mil, or Senior Airman Crystal Housman at (805) 458-3825 or via email at crystal.c.housman.mil@mail.mil,

Update 19-08

NATIONAL GUARD BUREAU HONORS JOINT FORCES TRAINING BASE WITH THIRD-STRAIGHT ENVIRONMENTAL SECURITY AWARD

LOS ALAMITOS, Calif. -- For the third year running, Joint Forces Training Base (JFTB) has been honored by the National Guard Bureau (NGB) for its environmental security initiatives. This year's award centered on two major restoration projects – remediation of a fuel plume located underneath and adjacent to the installation's Military and Veterans Resource Center and infrastructure restoration of Los Alamitos Army Airfield's storm water retention structures.

Remediation of the fuel plume site (formerly an automobile service station), embraced new, cutting-edge technology -- a patented Vapor Energy Generation (VEG) system that combined an in-situ technique that allowed for remediation of contaminated soil to pristine condition while simultaneously treating the groundwater hazard associated with the fuel tank leaks. The project was cost effective and not only validated the technology, it eliminated the need for excavation -- effectively working as a "closed system" to utilize soil contaminants as fuel to power the machinery removing those contaminants.

Of equal importance to the military personnel and veterans who utilize the installation's resource facility, the entire project was conducted without interruption of building operations and services.

A restoration project to repair and upgrade multiple World War II- era storm water retention structures on Los Alamitos Army Airfield was jointly undertaken by the JFTB Training Site Detachment and the Cal Guard's 315th Vertical Construction Company, resulting in an estimated cost savings of \$750,000 to the California Army National Guard in design and construction costs.

"This marks the third year in a row that JFTB has received an environmental award and I want to personally congratulate all the personnel at Joint Forces Training Base who share in these outstanding accomplishments," said Colonel (CA) John Oberg, Director of Environmental Programs for the California National Guard. "This award is the result of the hard work and collaborative efforts between environmental programs, department of public works and JFTB headquarters staffs and serves as a benchmark for all of the other training sites within the state of California and nationwide... Job well done!"

For additional information, please contact Col. (CA) Richard Lalor at (562) 795-2096 or via email at richard.w.lalor2.nfg@mail.mil, or SrA Crystal Housman at (805) 458-3825 or via email at crystal.c.housman.mil@mail.mil,

Update 19-07

COLONEL NICK DUCICH ASSUMES COMMAND OF JOINT FORCE TRAINING BASE LOS ALAMITOS (JFTB)

LOS ALAMITOS, Calif. – The California Military Department (CMD) is pleased to announce Col. Nick Ducich as the new commander of the CMD's Joint Force Training Base, Los Alamitos. Ducich will oversee all operations at the 1,319-acre base, which is home to the only military airfield in the greater Los Angeles area and serves as a training hub for every armed forces branch.

"Colonel Ducich brings a wealth of experience and energy to this assignment and will be a strong advocate for the California Military Department in Southern California," said Maj. Gen. Mark Malanka, Commanding General, 40th Infantry Division (40ID).

Ducich succeeds Brig. Gen. (CA) John W. Lathrop, who has retired and closes a 33-year career of dedicated military service to his state and nation.

Ducich also serves as an assistant commander for the CMD's 40ID also based at JFTB.

For additional information, please contact Col. (CA) Richard Lalor at (562) 795-2096 or via email at richard.w.lalor2.nfg@mail.mil, or SrA Crystal Housman at (805) 458-3825 or via email at crystal.c.housman.mil@mail.mil,

COL Nick Ducich
California Army National Guard

Colonel Nick Ducich entered military service in April 1988 enlisting in the US Army Reserve. He received his officer's commission from the California Polytechnic State University ROTC program in 1990.

COL Ducich is currently the Assistant Division Commander – Support for the 40th Infantry Division and Installation Commander for Joint Force Training Base – Los Alamitos. Some of his previous military assignments include Commander of the 79th Infantry Brigade Combat Team, Commander Multi National Battle Group East - Kosovo, Commander of Joint Multinational Training Group – Ukraine, Executive Officer 79th IBCT, Senior Space Officer 40th Infantry Division, Commander 1-160th Infantry Battalion, Counterdrug Region South Commander, Deputy Commander-Ops Joint Task Force Sierra, Bilateral Affairs Officer-Ukraine, Task Force Engineer Commander (Operation Jump Start), 1-184th Infantry Battalion Operations Officer (Operation Iraqi Freedom), Alpha Company 1-184th Infantry Battalion Rifle Company Commander (Operation Desert Spring), along with Engineer Company Command and Platoon Leader positions.

COL Ducich's Awards include; Legion of Merit (with one Oak Leaf Cluster), Bronze Star Medal, Defense Meritorious Service Medal, Meritorious Service Medal (with three Oak Leaf Clusters), Army Commendation Medal (with three Oak Leaf Clusters), Air Force and Navy Commendation Medals, Army and Air Force Achievement Medals in addition to several other Federal and State Medals/Ribbons. His decorations include the Combat Infantry Badge, Space Badge, Pathfinder Badge, and Parachutist Badge. COL Ducich is also a recipient of the Saint Maurice Medal from the National Infantry Association, the De Fleury Medal from the Corps of Engineers Association, and the Draper Armor Leadership Award.

COL Ducich holds Masters Degrees in Strategic Studies from the United States Army War College, a Master's of Science in Nuclear Engineering from the University of Maryland, and a Master's of Science in Space Studies from the University of North Dakota. He also earned a Bachelor's Degree in Materials Engineering from California Polytechnic State University. His military education includes; Brigade Pre-Command Courses, United States Army War College, Space Officer Qualification Course, Space 200 & 300 from the National Security Space Institute, Advanced Joint Professional Military Education Level II, Advanced Operations Course, Command and General Staff College, Cavalry Leaders Course, Combined Arms & Service Staff School, Infantry Advanced Course, and Engineer Advanced and Basic Courses.

His experiences and education resulted in Additional Skill Identifiers of 3L (Joint Qualification Level III), 3H (Joint Planner), 3Y (Space Enabler), 5Q (Pathfinder), and 5P (Parachutist).

Colonel Ducich is married to the former Kristia Davidovich and they have three children (Natalija, Luke and Ivan) while residing in Chula Vista, California.

Future of Willowick appears to be new use

Proposal is due from developers to Santa Ana, Garden Grove for the site's next direction after 2020

By Susan Christian Goulding
sgoulding@ocng.com
@scgoulding on Twitter

Two Orange County cities share an uncommon alliance over something rare and precious in these parts — land that is ripe for redevelopment.

In 1964, Garden Grove bought the 102-acre Willowick Golf Course, right across its border in Santa Ana. Willowick, which opened in 1928, is the oldest public 18-hole course in Orange County.

But it appears to be reaching its final decade. The lease with its operator, Donovan Golf Courses Management, ends next year. And both cities want to find a different use for the space.

"We are looking at an array of ideas for Willowick," said Lisa Kim, director of community and economic development in Garden Grove. "We don't want to put a

STAFF FILE PHOTO

Willowick Golf Course is in Santa Ana but is owned by Garden Grove. Both cities are mulling its future.

box around what it will be when it grows up."

Garden Grove and Santa Ana are seeking a master developer for the site, with the deadline for proposals Friday. Over the past few months, they have hosted community workshops for local input. "We want all of the stakeholders at the table," Kim said.

Featured on both cities' websites, "Envision Willowick," imagines "a safe, vibrant and multi-use destination" that will "provide memorable, family oriented, public gathering places."

Transforming the golf course into something grander will reinforce "the economic viability

WILLOWICK »

Willowick

FROM PAGE 1

reads.

— Donovan Golf Courses Management pays Garden Grove 23% of greens, cart and range fees, 8% of pro shop revenue, and an additional \$240,000 annually.

Officials say the multifaceted development could include housing, offices, stores, a fitness center, entertainment venues, a hotel and a park.

Cushman & Wakefield Associate Matthew God-

man, who specializes in retail, has consulted with developers interested in the project.

"It's a unique situation because two cities are involved in this huge project," Godman said. "That makes things a little more complicated, but they're doing a good job of working together."

Although Garden Grove owns the property, he noted, Santa Ana must approve any plans for it.

Godman said Willowick — surrounded by freeways and neighborhoods — is an attractive site for developers.

Willowick is centrally located, about five miles west of Disneyland. Adding to its appeal, the OC Streetcar now under construction will make a stop there.

Scheduled to debut in 2021, six street cars will travel a 4.1-mile route across parts of Santa Ana and Garden Grove. The Orange County Transportation Authority projects about 7,300 riders per day within the first year.

But not everyone is happy with the idea of a multi-use development replacing the golf course. At city council meetings,

residents have expressed hope it could be preserved as open space.

A study on urban parks by the national Trust for Public Land described Santa Ana as "significantly under served."

The city has about one acre of public park land for every 1,000 residents, well below the statewide average of about 3 acres per 1,000 people, the study says. In 2015, Santa Ana officials briefly considered buying Willowick from Garden Grove and transforming it into a vast park.

Golfers, too, will be

sorry to see Willowick go.

With rates starting at \$20, Willowick remains a in-demand course — where visitors can golf in a relaxed environment underneath old, shady trees.

"Despite the fact it is not in top condition, it is always busy," Godman said.

Still, in today's tight housing market, he added, popularity is not enough.

"Let's be realistic," Godman said. "Creatively developing the property will bring the highest tax benefit for the cities."

Great Wolf Lodge to open water park to non-hotel guests, for a cost

The Garden Grove resort joins growing number of hotels offering day pool passes to families

By Marla Jo Fisher
mfisher@scng.com
@frumpymom on Twitter

Until now, one of the hallmarks of staying at the themed Great Wolf Lodge near Disneyland was that its huge indoor water park was exclusively for hotel guests. Well, not anymore. The hotel company has announced that it will begin selling day passes to enjoy the water for \$50-and-up per day.

Day passes to the water park — which covers an area larger than most Home Depot stores and has 14 water slides — must be purchased online at GreatWolf.com at least one day in advance and could sell out. The passes are valid beginning at 10 a.m. until closing. The

number available will depend on how many hotel guests are projected to be in residence.

The day passes could be a budget option at a hotel where overnight rooms can be quite pricey. For example, a check of the website showed a room for a family of four ranged from \$399 to \$899 per night for Sat. June 29.

The Great Wolf Lodge opened in 2016 along South Harbor Boulevard in Garden Grove, at the southern end of a strip that caters to Disneyland visitors. Other hotels along the Disney Resort corridor offer smaller water features for their guests.

“We believe time together as a family is a precious commodity, and the ability to slip away for day, or even a few hours, to have fun at our water parks is something we feel families will be excited about,” Murray Hennessy, chief executive officer for Great Wolf Resorts, said in

a prepared statement.

The day pass program is part of a trend that has seen a rise in hotels using their pools to make more money. While many hotels have quietly offered day passes for sale, companies like ResortPass.com have popularized the idea of paying a flat fee and having access to a pool and other vacation resort amenities close to home.

For example, the Newport Beach Marriott Hotel & Spa sells day passes through ResortPass.com to its pools ranging from \$15 to \$30 a day, depending on the date.

It’s unclear how this move might compete with other local water parks, such as Knott’s Soak City in Buena Park or Buccaneer Bay in La Mirada, but certainly Great Wolf Lodge has the only major indoor water park at the Disneyland Resort area.

To check availability of waterpark day passes for a particular day, guests can visit greatwolf.com.

OC Register
June 23, 2019

Great Wolf Lodge guests enjoy a ride down the Coyote Canyon slide in Garden Grove. The hotel has announced that it will begin selling day passes for \$50-and-up per day.

Coffee with cops

The Garden Grove Police Department is holding a "Join your neighbors Garden Grove officers for coffee and conversation" event from 5 to 8 p.m. Friday, June 27 at Starbuck's, 13992 Brookhurst St. in Garden Grove.

"Come in, relax, enjoy a cup and casual convo," the department said.

Officers having been holding these events for some time. They call it "Building relationships one cup at a time."

Holiday closure

In observance of the Independence Day holiday, Garden Grove City Hall and the H. Louis Lake Senior Center will be closed on Thursday, July 4.

No street sweeping services will be provided on the holiday. Streets will be swept as scheduled on all other days. Also, trash pick-up will be delayed by one day.

For more information on street sweeping, call the Public Works Department at 714-741-5375.

Also, the Police Department urges you to show compassion for veterans on Independence Day. Fireworks often trigger bad memories for those who have served.

Open Mic Event

Poets and songwriters, lead us your voices...

The Garden Grove Main Library is holding an Open Mic Event at 3 p.m. June 30 at the library, 11200 Stanford Ave. in Garden Grove.

The Library Writer's Circle invites you to join writers for its first such event for spoken-word and acoustic-unplugged performers.

Presenters will have five minutes each. Content should suit a public library forum.

Register by visiting library, calling 714-530-0711, or emailing the library at ocpl.ggr@ocgov.com.

There will be a drawing for prizes.

'He goes above and beyond every day'

Head custodian, special education teacher honored as school district Employees of the Month

By Brady Rhoades

Last week, the Garden Grove Unified School District Board of Education recognized its June employees of the month.

Honored were Tan Vo, custodian at Stanford Elementary

Editor's Take

School, and Jenna Cruzat, special education teacher.

Vo was nominated for the award by a teacher who said, "I've been a teacher in Garden Grove for 22 years. Tan is the best custodian I've ever worked

with. He goes above and beyond every day for our school. His work ethic is amazing. He takes pride in his work and our campus shows it. If you ask him for anything he will have it done immediately. He is amazing."

Vo said his favorite part of the job is keeping the students and school safe and secure and keeping the school clean and bright.

Cruzat teaches at Mark Twain Special Education Center. She was nominated for the honor by a staff member at Warren, who said Cruzat is a true hero and advocate for her students and families.

"You can find Jenna running after students with a smile, and teaching each student whether verbal, non-verbal, in a wheelchair, emotionally disturbed, or other," said the staff member. "She truly believes all students can learn and her students do learn. Her classroom is positive, interactive, and she challenges her students regardless of medical needs, physical limitations, or speech and language deficits."

Cruzat's favorite aspect of teaching?

"I love every part of my job, working with my students, building a team with my classroom staff, and interacting with the whole school," she said. "I learn how to be a better teacher, a better mom, a better daughter, friend, colleague, a better human from my students. They teach me more than I could

ever teach them. It truly is my privilege to be their teacher. But, I guess my favorite, favorite part is that in six years of teaching in Special Education, I have never had two days the same. The job is never boring or predictable. I can't wait to arrive every morning and have the opportunity to work with my students. We learn something new every day. The first-day excitement still hasn't faded."

As Independence Day approaches, a reminder to locals: Please be aware that this holiday is not always enjoyable for veterans.

For some, it triggers terrifying memories.

The sound and sight of explosions hour after hour can cause anxiety and depression.

Try to be compassionate. If you have a neighbor who's a veteran, stop by and see how

he or she is doing.

The City of Garden Grove's and Garden Grove Community Foundation's Summer Concert Series debuts from 6:30 to 8:30 p.m. tonight (Wednesday, June 26) at Garden Grove Elks Lodge #1952, 11551 Trask Ave. in Garden Grove.

On tap for your listening pleasure: Cat Reed And Back Alley. The band plays 1960s rock and roll, swinging blues and soul.

For more information about the band, email catreedba@gmail.com or visit the band's Facebook page.

Brady Rhoades is the editor. He can be reached at brhoades@localnewspapers.org.

City, district agree: cops make kids safer

Historic pact means sworn officers will be tasked with school safety

Full-time, sworn police officers will now be working to keep Garden Grove schools safe.

The Garden Grove Unified School District Board of Education on June 18 approved an agreement with the City of Garden Grove to expand the School Resource Officer (SRO) program, increasing police resources and school safety.

The Garden Grove City Council unanimously approved the agreement earlier, during the June 11 regular City Council meeting.

The SRO program will now include specially-selected and trained full-time sworn police officers. In addition to providing active law enforcement for district schools, the sworn officers will provide classroom education, hold monthly meetings with

district administrators, assist in emergency disaster protocols, serve as a resource to district students, and work closely with the Boys and Girls Club of Garden Grove through their Family Youth Outreach Program.

"As board members and as parents, safe schools is our number one priority" said Lan Nguyen, Board of Education president. "The upgraded School Resource Officer program is another layer of protection for our district's approximately 43,000 students. A specially trained school officer embedded into the school community will be extremely effective at cultivating relationships, trust, and confidence with staff and students and will help detect safety issues before they occur."

Garden Grove Mayor Steve Jones commended the strong relationship between the city and district, saying, "We are truly

fortunate to have a very positive, cooperative, and collaborative relationship with our school district. We're working on a lot of projects together with a very positive vibe and a shared vision."

The city will cover the cost of one police sergeant and two police officers with the district funding one officer in 2019, with

"It's important that we have highly-trained officers on the front lines of school safety and this new agreement will do just that" —Teri Rocco, Board of Education vice president

the program growing in its first three years. The initial terms of the agreement extend through 2022.

According to Garden Grove Police Chief Tom DaRé, the sworn officers will be Garden Grove Police Department employees, and are part of the city's program to hire additional police officers. With the expanded SRO program, the number of sworn Garden Grove Police officers will

total 182.

"It's important that we have highly-trained officers on the front lines of school safety and this new agreement will do just that," said Teri Rocco, Board of Education vice president.

District administrators will work closely with the Garden Grove Police Department during

the testing and hiring process of assigned School Resource Officers and will work together to evaluate the effectiveness of the program and officers.

"This collaboration with the city and the Police Department will create a new student-centered way to ensure safe and welcoming schools in keeping with our commitment to Resolution 20," said Walter Muneton, Board of Education trustee. "I am glad that district staff will be involved in the day-to-day implementation of this program and provide valuable feedback to ensure the program stays committed to its purpose."

Summer's here (COOL!)

File photo by Loreen Berlin

It's summer! And although temperatures have been in the 70s, it's sure to get warmer in the coming weeks, meaning kids and adults will be looking for ways to cool off. One great way is by enjoying the water features at Great Wolf Lodge, shown above and below. For more information about the lodge, 12681 Harbor Blvd. in Garden Grove, visit www.greatwolf.com.

Sunny budget now, storm clouds ahead?

BY OC TRIBUNE STAFF ON JUNE 25, 2019 • (LEAVE A COMMENT)

THE COMBINED 2019-2020/2020-2021 city budget was approved by the Garden Grove City Council on Tuesday night (Shutterstock).

A sunny budget for the next two years for Garden Grove is being trailed by some potentially stormy clouds.

The city council on Tuesday night approved a biennial budget for 2019-2020 and 2020-2021 with surpluses, but there could be some significant bad weather ahead.

On a 7-0 vote, the budget was approved, a revenue and spending plan that reflects expanded funding for public safety and other areas. In the first year, the budget calls for \$280.6 million in revenue the first year, with \$259.5 million in expenses.

(https://orangecountytribune.files.wordpress.com/2016/07/gg-logo_lg.jpg) In the second year of the budget, revenues are projected to reach \$262.8 million with operating expenses at \$249.4 million. Both budgets exclude capital improvement projects such as new construction.

The declines in revenue raised and expenditures reflect both the winding down of the Successor Agency – the fading remnant of the old redevelopment agency – and uncertainty about future state and federal grants.

The new biennial budget includes a spike in funding for police and fire services. The Garden Grove Police Department will be expanding by 17 new full-time positions (including 11 full-time sworn officers) and the Orange County Fire Authority will replace the city fire department for fire and paramedic services.

However, as city officials pointed out, the good times might not last very long if measures aren't taken to tighten some municipal spending. Two trends – a sharp increase in unfunded pension liabilities, and the upward pressure in personnel costs pushed in part by hikes in the state minimum wage – could turn the annual surplus into red ink as early as 2023.

According to City Manager Scott Stiles, the city's top management and council will be developing plans to address both those issues.

Agreement will boost local school safety

BY OC TRIBUNE STAFF ON JUNE 21, 2019 • (1 COMMENT)

SCHOOL SAFETY at Garden Grove high schools should be boosted by a deal between the City of Garden Grove and the Garden Grove Unified School District (Shutterstock).

An agreement with the City of Garden Grove to expand the School Resource Officer program, increasing police resources and school safety was approved by the Garden Grove Unified School District Board of Education on Tuesday.

The Garden Grove City Council unanimously approved the agreement earlier, during the June 11 regular City Council meeting.

(<https://orangecountytribune.files.wordpress.com/2016/08/ggusdlogo.png>) The SRO program will now include specially-selected and trained full-time sworn police officers. In addition to providing active law enforcement for GGUSD schools, the sworn officers will provide classroom education, hold monthly meetings with district administrators, assist in emergency disaster protocols, serve as a resource to GGUSD students, and work closely with the Boys and Girls Club of Garden Grove through their Family Youth Outreach Program.

“As board members and as parents, safe schools is our number one priority” said Lan Nguyen, board president. “The upgraded school resource officer program is another layer of protection for our district’s approximately 43,000 students. A specially trained school officer embedded into the school community will be extremely effective at cultivating relationships, trust, and confidence with staff and students and will help detect safety issues before they occur.”

Garden Grove Mayor Steve Jones commended the strong relationship between the City and GGUSD saying, “We are truly fortunate to have a very positive, cooperative, and collaborative relationship with our school district. We’re working on a lot of projects together with a very positive vibe and a shared vision.”

The city will cover the cost of one police sergeant and two police officers with the district funding one officer in 2019, with the program growing in its first three years. The initial terms of the agreement extends through 2022.

(<https://orangecountytribune.files.wordpress.com/2016/09/ggpd.jpg>) According to Garden Grove Police Chief Tom DaRé, the sworn officers will be Garden Grove Police Department employees, and are part of the City’s program to hire additional police officers. With the expanded SRO program, the number of sworn Garden Grove Police officers will total 182.

“It’s important that we have highly-trained officers on the front lines of school safety and this new agreement will do just that,” said Teri Rocco, board vice president.

District administrators will work with the GGPD during the testing and hiring process of assigned School Resource Officers and will work together to evaluate the effectiveness of the program and officers.

“This collaboration with the city and the police department will create a new student-centered way to ensure safe and welcoming schools in keeping with our commitment to Resolution 20,” said Walter Muneton, board of education trustee. “I am glad that district staff will be involved in the day-to-day implementation of this program and provide valuable feedback to ensure the program stays committed to its purpose.”

CITY SEEKS CANDIDATE FOR ADMINISTRATIVE BOARD OF APPEALS

The City of Garden Grove is seeking a qualified candidate to serve as a non-compensated member on the Administrative Board of Appeals. Applicants must be and remain a Garden Grove resident and a registered voter until the term expires in December 2020. To apply online, visit ggcity.org/city-clerk/applications, or visit the City Clerk's Office, located on the 2nd floor of Garden Grove City Hall, at 11222 Acacia Parkway. The position will remain open until filled.

The City's Building Official will give notice of the time and date of meetings, which are held at the Garden Grove Community Meeting Center, located at 11300 Stanford Avenue. Applicants must be available to attend meetings.

Pursuant to Municipal Code Section 2.54.080 Duties, the 5-member Administrative Board of Appeals will provide final City interpretation of the provisions of various City codes and ordinances where authorized. The board will also conduct hearings to determine the suitability of alternate material and types of construction under the ordinances.

For more information, visit ggcity.org/city-clerk or call (714) 741-5040.

Four-Month, Multi-Street Construction Project Underway

Beginning Monday, June 17, 2019 through October 2019, several streets will undergo rehabilitation causing temporary traffic delays. Streets under construction are: Euclid Street, from Chapman Avenue to Katella Avenue; Garden Grove Boulevard, from Brookhurst Street to Nelson Street; and Woodbury Road, west of Harbor Boulevard.

To facilitate construction work, traffic on Euclid Street and Garden Grove Boulevard will be reduced to one lane. Motorists are advised to use alternate routes to avoid congestion. Work hours are 7:00 a.m. to 4:00 p.m., Monday through Friday. Access to businesses and residences along the construction area will be maintained at all times.

The improvements consist of the removal and construction of uplifted median curbs, gutter, sidewalk, and wheelchair ramps; traffic striping; raised pavement markers; and asphalt concrete base and surface. The work will result in an improved roadway surface and minimize maintenance efforts.

On Palmwood Drive, from Patricia Drive to Vegas Way, improvements consist of constructing a 4-foot wide sidewalk on both sides of the street.

The project is funded by Measure "M2 Local Fair Share" and gas tax funds.

For more information, contact Navin Maru in the City's Public Works Department at (714) 741-5180.

Action: Received and filed.

Motion: Soeffner Second: Perez

Ayes: (5) Lehman, Nguyen, Perez, Ramirez, Soeffner

Noes: (0) None

Absent: (2) Kanzler, Le

MATTERS FROM COMMISSIONERS: None.

MATTERS FROM STAFF:

SAFE ROUTES TO SCHOOL (SRTS): As a result of an early Re:Imagine initiative by the community to advocate for student safety, a Safe Routes to School grant was applied for and awarded to the City of Garden Grove under SCAG's Sustainability Program. The Phase I Plan, conducted by KOA Corporation, focused on five (5) elementary schools and one (1) intermediate school selected using 'needs-based criterion'.

Mr. Frank Barrera gave a brief overview of the plan which included:

- A Project Timeline to complete the plan by March 2019
- Project support from City, County, GGUSD, schools, and the Community
- Project Objectives to include improving safety for walking and biking to and from school, improving public health by providing and encouraging active transportation options, and improving sidewalks, crosswalks, streets, and access for all pedestrians
- A Planning Process:
 - Community Engagement - Walk audits, parent surveys, teacher tallies, flyers, and a pop-up event called Cook & Jordan Safer Day Event
 - Planning – Study area analysis, review of relevant plans, collision analysis, project prioritization, report writing
 - Engineering – Field work, engineering assessment, concept design, cost estimates
- Implementable Plans included school crosswalks, red curbs (no parking), restricted parking areas, ADA curb ramps, traffic signs, school signage, school pavement markings, bulb-outs, and curb extensions
- Funding Opportunities:
 - Safety – Highway Safety Improvement Program, State Highway Operation & Protection Program, Office of Traffic Safety Grants, Systemic Safety Analysis Report
 - Health – Mobile Source Air Pollution Reduction Review Committee Funds
 - Planning – Sustainable Planning Grant, Urban Greening Grant, Community-based Transportation Planning Grant, Recreational Trails Program
 - Environment & Infrastructure – Surface Transportation Block Grant Program, Transportation Investment Generating Economic Recovery

Mr. Barrera added that the City would use the Plan as a guiding document, or tool, to explore potential improvements when additional funding opportunities arose.

DOWNTOWN PARKING MANAGEMENT STRATEGIC PLAN (DPMSP): As a result of an early Re:Imagine initiative in which the community expressed a desire for downtown/Civic Center parking to accommodate future development and entertainment, City Council requested a Downtown Parking Management Strategic Plan. A contract was awarded to Fehr and Peers, a Transportation Planning and Engineering firm. The City would use the 'point-in-time' Plan as a "tool box" or guiding document in preparation of future build-out and impacts that may arise.

Mr. Spencer Reed gave a brief overview of the Plan:

- Purpose – Identification of parking management strategies that could be implemented as needed for the future success of Downtown Garden Grove
- 2017 Data Collection – Counted parking supply and demand of publicly-owned and privately-owned lots and street parking
- Parking Survey Results – Online Survey Statistics of questions, responses, and comments from City's website shared to City Staff and Advisory Committee

- Parking Demand Model – Existing parking demand and land use data, ULI (Urban Land Institute) parking ratios, monthly factors, and time of day factors, planned and possible projects identified, determine future parking demand
- Disruptive Trends – Changes to transportation such as Transportation Network Companies (TNCs) known as Uber and Lyft, micro-mobility, and autonomous vehicles
- Parking Strategies – Static signage, increased use of shared parking, accommodating TNCs, implementing urban design and traffic calming, and adding off-street parking
- Recommendations – As development occurs and technology changes in Downtown Garden Grove, parking management strategies identified should be reviewed and implemented as needed under the following scenarios:
 - Regular parking demand review
 - New development parking management strategies
 - Requested parking management strategies
 - Parking management strategies for future changes

Lastly, Mr. Reed noted that the Plan was not rigid, that downtown peak parking occurred Tuesdays and Fridays at 10:00 a.m., with the west parking lot behind Main Street full during the Car Show. The peak areas for parking on Tuesdays and Fridays were the Civic Center lot, the Library and Community Center lot, the Police and Fire lots, and the lot behind City Hall. The study boundary area included Grove Avenue and Main Street to the west, Euclid Street and Stanford Avenue to the north, 9th Street to the east, and Garden Grove Boulevard to the south.

Staff then gave a brief description of the agenda item for the June 20th meeting and stated the July 4th meeting would be cancelled due to the Independence Day holiday. Also, Staff mentioned there would be a meeting on July 18th.

ADJOURNMENT: At 7:48 p.m. to the next Meeting of the Garden Grove Planning Commission on Thursday, June 20, 2019, at 7:00 p.m. in the Council Chamber of the Community Meeting Center, 11300 Stanford Avenue, Garden Grove.

Motion: Ramirez Second: Kanzler

GARDEN GROVE

AGENDA

ZONING ADMINISTRATOR MEETING

City Hall
11222 Acacia Parkway

Thursday, July 11, 2019
Third Floor – Training Room

9:00 a.m.

Members of the public desiring to speak on any item of public interest, including any item on the agenda except public hearings, must do so during Comments by the Public. Each speaker shall fill out a card stating name and address, to be presented to the Recording Secretary, and shall be limited to five (5) minutes. Members of the public wishing to address public hearing items shall do so at the time of the public hearing.

Any person requiring auxiliary aids and services due to a disability should contact the City Clerk's office at (714) 741-5035 to arrange for special accommodations. (Government Code §5494.3.2).

All revised or additional documents and writings related to any items on the agenda, which are distributed to the Zoning Administrator within 72 hours of a meeting, shall be available for public inspection (1) at the Planning Services Division during normal business hours; and (2) at the City Hall Third Floor Training Room at the time of the meeting.

Agenda item descriptions are intended to give a brief, general description of the item to advise the public of the item's general nature. The Zoning Administrator may take legislative action deemed appropriate with respect to the item and is not limited to the recommended action indicated in staff reports or the agenda.

1. PUBLIC HEARING ITEM(S):

a. CONDITIONAL USE PERMIT NO. CUP-159-2019

APPLICANT: Jaime Arcadia
LOCATION: 10672 Katella Avenue

REQUEST: To operate an existing sports bar, The Cave Sports Bar, with a new original State Alcoholic Beverage Control (ABC) Type "48" (On-Sale General for Public Premises) License. The site is in the NMU (Neighborhood Mixed Use) zone. In conjunction with the request, the Zoning Administrator will also consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 – Existing Facilities – of the State CEQA Guidelines. Upon approval and exercise of the subject request, the Conditional Use Permit previously governing the tenant space, CUP-403-98, shall be revoked and become null and void.

b. CONDITIONAL USE PERMIT NO. CUP-161-2019

APPLICANT: Peter Nguyen

LOCATION: 8762 Garden Grove Boulevard #104

REQUEST: To operate a new restaurant, Secret Pho, with an original Alcoholic Beverage Control (ABC) Type "41" (On-Sale, Beer and Wine, Public Eating Place) License. The site is in the GGMU-2 (Garden Grove Boulevard Mixed Use 2) zone. In conjunction with the request, the Zoning Administrator will also consider a determination that the project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 - Existing Facilities - of the State CEQA Guidelines.

Subject : League State Budget REPORT

📎 3 attachments

To : Tony Cardenas <tcardenas@cacities.org>**State Budget Report***Legislature Begins Work on Trailer Bills; Housing-Planning/Homeless Related Language Not Yet in Print*

Last week, the Legislature took up numerous trailer bills that help implement the main budget bill, which was approved on June 13. Each of these bills listed below have been passed by the Legislature and are now on Governor Gavin Newsom's desk.

While AB 101 (Budget), a bill containing minor changes to housing programs was placed into print on Thursday, June 20, it lacks language dealing with various housing-related planning, tax credits and infrastructure. It is unclear whether the Legislature will pass this measure this week. The cannabis trailer bill SB 97 is in print but has not yet been taken up.

STATE BUDGET TRAILER BILLS**SB 76 (Enrolled) — Education Finance: Constitutional Minimum Funding Obligation: Inflation and Cost-of-Living Adjustments**

This trailer bill makes various changes to implement budget actions related to the Proposition 98 certification process. This bill will also provide \$282.2 million in Prop. 98 for the purposes of reducing the outstanding Prop. 98 funding owed to schools from previous fiscal years.

SB 77 (Enrolled) — Higher Education Trailer Bill

This trailer bill implements budget actions related to higher education. In brief, the bill:

- Supports a second round of state funding for local college savings account programs. Grants will be available for existing local programs and to launch new local programs. This will be administered by the California Student Aid Commission.
- Creates the California Kids Investment and Development Savings (KIDS) program, under the state Scholarshare Board, to provide state funding to open savings accounts for every low-income California child.

- Authorizes specific colleges to use \$43 million in Prop. 98 General Fund to waive fees for first-time community college students for two academic years.

SB 80 (Enrolled) — Human Services Omnibus

This trailer bill provides statutory changes related to human-services. In brief it:

- Increases the maximum aid payment amounts for CalWORKs recipients. This grant increase is intended to be the next step towards alleviating the condition of deep child poverty, defined as living with a subsistence level less than 50 percent of the Federal Poverty Level.
- Deletes the requirement that temporary shelter assistance be used in 16 consecutive calendar days in the CalWORKs Homeless Assistance Program. Instead, temporary shelter assistance can be used for 16 cumulative days every 12 months.
- Increases the CalWORKs asset limit to \$10,000 and the motor vehicle exemption to \$25,000 and ties inflation factors to these limits. The Budget Act includes \$7.5 million in 2019-20 for this purpose.
- Authorizes the Department of Housing and Community Development to provide funding to counties for allocation to child welfare services agencies to help young adults who are 18 to 24 years of age secure and maintain transitional housing, with priority given to young adults who were formerly in foster care or probation systems. This is supported with a General Fund appropriation of \$8 million in 2019-20 and on-going, subject to suspension on Dec. 31, 2021.
- Requires the Department of Aging to administer the Aging and Disability Resource Connection Infrastructure Grants Program for the purpose of implementing a No Wrong Door System (NWD). NWD systems provide information and assistance not only to individuals needing either public or private resources, but also to professionals seeking assistance on behalf of their clients and to individuals planning for their future long-term care needs.

SB 81 (Enrolled) — Developmental Services

This trailer bill provides for statutory changes necessary to enact developmental services related budget provisions. It:

- Requires the Department of Developmental Services (DDS) to submit an update of its Safety Net Plan, developed in consultation with stakeholders, on or before Jan. 10, 2020.
 - For consumers with complex behavioral needs or who are at risk of, or currently in, crisis, DDS, together with regional centers, has been developing a variety of community based resources to serve as a safety net for these consumers when regular homes and/or services cannot meet their needs.
 - The updated plan will evaluate the progress made to create a safety net, identify the further areas the stakeholder community suggests evaluating, and recommendations from the stakeholder community, and will consider new models for individuals whom private sector vendors cannot or will not serve.
- Allows the department to include community-based residential options that consist of community crisis homes for children who meet specific criteria. Also requires the department to develop guidelines around the use of restraints in community crisis homes.

SB 82 (Enrolled) — State Government

This trailer bill makes numerous statutory changes related to state administration. Provisions of most interest to cities include:

- Authorizing an adjustment of renewal fees for various Alcoholic Beverage Control Act licenses beginning in January 2021 to cover the costs of licensing and enforcement. This budget act would also help the department to improve its services and to protect communities from the

harms that come with noncompliant licensed premises and service to obviously intoxicated individuals.

- Authorizing the Department of Alcoholic Beverage Control (ABC) to charge fees to cover the costs of administering a Responsible Beverage Service training program and authorizes a fee for administering the alcohol server certification exam.
- Appropriating \$2.9 million from the Alcohol Beverage Control Fund to ABC to fund the Responsible Beverage Server Training Program Act and to provide electronic services for licensees.
- Authorizing the State Public Works Board, instead of the local fire marshal, to grant exemptions for state facilities to install diaper changing stations in restrooms.
 - Allowing local agencies and schools to use the state's GS \$Mart procurement and financing process and makes other conforming technical changes to the GS \$mart program reporting. GS \$Mart is an innovative acquisition finance program designed to facilitate state agencies and local governments with installment or lease purchases, while meeting all requirements of a competitively bid process.

SB 83 (Enrolled) — Employment

This trailer bill makes various changes to implement budget actions related to labor and employment. In brief, it:

- Extends Paid Family Leave (PFL) benefits from six to eight weeks beginning July 1, 2020. Additionally, SB 83 will adopt intent language to convene a task force to develop a proposal by November 2019 to extend the duration of PFL benefits to six months by 2021–22. The proposal will also address job protections for workers and establish the goal of providing a 90 percent wage replacement rate for low-wage workers utilizing the PFL program.
- Reduces the reserve requirement for the Disability Insurance Fund from 45 percent to 30 percent.
- Authorizes \$5 million in one-time General Fund to create an outreach and education grant program for domestic workers.

SB 84 (Enrolled) — Political Reform Act of 1974: Online Filing System

This trailer bill allows for a delay in the implementation of the Cal-Access Replacement System (CARS) from Dec. 31, 2023 to February 2021. Cal-Access is a resource that provides financial information supplied by state candidates, donors, lobbyists, and others. This bill also allocates \$6.992 million from the General Fund to develop and implement CARS.

SB 85 (Enrolled) — Public Resources: Omnibus Trailer Bill

This trailer bill makes various changes to implement the resources, environmental protection, and energy budget actions. It:

- Clarifies that a fee may be charged by state and local entities for enforcement of building standards adopted by the state fire marshal relating to fire, panic safety, and other regulations.
- Specifies that Green House Gas Reduction Funds appropriated for projects to reduce air pollutants consistent with community emissions reduction programs also complement and further the rules and regulatory requirements by the Air Resources Board and local air districts.
- Establishes the Cal Fire infrastructure Projects Revolving Fund to undertake agency infrastructure improvement projects. These projects must be related to the acquisition of real property or the design, construction, alteration, repair, and improvement of facilities over which the department has jurisdiction, including equipment and furnishings.

SB 87 (Enrolled) — Transportation

This trailer bill implements budget actions related to transportation and:

- Eliminates the Local Transportation Loan Account and the Transportation Deferred Investment Fund and shifts any remaining assets and liabilities to the State Highway Account.
- Includes \$236 million in Prop. 42 loan repayment and repays outstanding transportation weight fees loaned to the General Fund.
- Makes an appropriation of up to \$7.2 million for infrastructure improvements necessary to facilitate short-line railroads becoming more compatible in supporting modern rail freight traffic.
- Gives the Caltrans inspector general the authority to examine all records, files, documents, accounts, reports, correspondence, or other property of the department and external entities that receive state and federal transportation funds from the department.

SB 90 (Enrolled) — Public Employees' Retirement

This trailer bill makes various statutory changes to implement the California Public Employees Retirement System (CalPERS) and California State Teachers' Retirement System (CalSTRS). In brief it:

- Appropriates \$2.5 billion from the General Fund to be transferred to the Public Employees' Retirement Fund, for apportionment to prescribed state employee member categories, as directed by the Department of Finance (DOF).
 - These supplemental payments would be applied to unfunded state liabilities for enumerated state employee member categories
- Appropriates \$904 million General Fund in 2018–19 to be transferred to the Public Employees' Retirement Fund for payments relating to school employers' contributions and unfunded liabilities
- Appropriates \$2.25 billion from the General Fund to the Teachers' Retirement Fund for the Defined Benefit Program. This will result in employers having to contribute 1.03 percent less than the amount currently required for 2019–20 (estimated to about approximately \$500 million) and .70 percent less in 2020–21 (approximately \$350 million).
 - The remainder of the amount (approximately \$1.6 billion) provided would make a supplemental payment to reduce the employers' share of the unfunded pension liability.
- Appropriates a total of \$2.9 billion Prop. 2 Funds in 2019–20 through 2022–23 to pay down the state share of the CalSTRS unfunded liability.

AB 91 (Enrolled) — Income taxation: Loophole Closure and Small Business and Working Families Tax Relief Act of 2019

This trailer bill is regarding income taxation. These provisions are estimated to have net General Fund revenue impacts in 2019–20 of \$1 billion and \$680 million in 2020–21. In addition, the revenue generated by this bill is estimated to provide an additional \$1 billion total to schools through an increased Prop. 98 minimum funding level. Specifically, it:

- Expands the California Earned Income Tax Credit (CalEITC):
 - It will increase to the maximum eligible earned income to \$30,000;
 - Revises the calculation factors to increase the CalEITC for specified tax payers; and
 - Provides a refundable young child tax credit to a qualified tax payer up to \$1,000.
- Provides tax relief to small businesses, students, and individuals with disabilities:
 - Eliminates differences in qualification criteria for Achieving a Better Life Experience Accounts (ABLE) between federal and California tax law. ABLE accounts are state-

- o sponsored tax free savings accounts for disability-related expenses.
 - o Excludes from an individual’s gross income the amount of student loan indebtedness discharged on or after Dec. 31, 2017, due to death or disability of the student, as provided.
 - o Increases the following thresholds for small businesses:
 - From \$5 million to \$25 million the amount of average annual gross receipts of a small business to be allowed to use the cash method of accounting;
 - From \$10 million to \$25 million the amount of average annual gross receipts of a taxpayer exempt from provisions precluding the deductibility of certain property costs and determining whether those costs are inventory costs or are capitalized; and
 - Exempts a small business with average annual gross receipts not exceeding \$25 million from provisions that require a taxpayer to take inventories to clearly determine their income.
- Limits “like-kind” exchange treatment to real property, subject to limited exceptions for middle-income tax payers.
- Disallows the use of net operating loss (NOL) carrybacks by individual and corporate taxpayers.

SB 92 (Enrolled) — Taxation

This trailer bill measure includes a number of provisions related to taxation:

- Exempts children’s diapers and menstrual hygiene products from sales and use tax collections for sales between Jan. 1, 2020 and Jan. 1, 2022. Requires the DOF to calculate and backfill losses of county realignment funds. Requires the Legislative Analyst’s Office to evaluate the effectiveness of this exemption, consider ways to make it more targeted and report to the Legislature on or before Jan. 1, 2021.
- Requires the Office of Tax Appeals at the Department of Tax and Fee Administration to establish a process for a person with a claim of less than \$5,000, or an entity with gross receipts of less than \$20 million filing a claim for less than \$50,000, to opt to appear before a single administrative law judge.
- Makes minor technical and other changes to implement AB 147 (Burke), Chapter 5, Statutes of 2019, which established California’s process for collection of use taxes following the *Wayfair* decision. Limits liability for uncollected taxes to three years for a qualifying retailer meeting specified conditions.

SB 93 (Enrolled) — Budget Act of 2018: Augmentation

This trailer bill would appropriate \$112.6 million to the California Department of Corrections and Rehabilitation (CDCR) for spending shortfalls encountered in the 2018–19 fiscal year.

SB 94 (Enrolled) — Public Safety: Omnibus

This trailer bill relates to the implementation of public safety related budget actions:

- Transfers the Division of Juvenile Justice Facilities from CDCR to the Health and Human Services Agency and establishes the Department of Youth and Community Restoration as of July 1, 2020.
- Creates a committee of the Child Welfare Council to provide recommendations and input on the newly created Department of Youth and Community Restoration.
- Establishes the California Reentry and Enrichment Grant program to provide grants to community based organizations that provide rehabilitative services to incarcerated individuals within correctional settings.

- Provides a six month extension of AB 1065 (Jones-Sawyer, Statutes of 2018) extending it until July 1, 2021. AB 1065 created a new Organized Retail Crime felony in California law. This expanded the jurisdiction to prosecute cases of theft or receipt of stolen merchandise. This bill also required the California Highway Patrol to convene a regional property task force and authorizes a grant program, upon appropriation by the Legislature, to create demonstration projects to reduce recidivism to high-risk misdemeanor probationers.

SB 95 (Enrolled) — Courts

This trailer bill allocates 25 of the 48 judgeships effective in the 2019–20 fiscal year, thereby reducing the total number of judgeships yet to be allocated to 23. This bill would also increase trial courts reserve amount from one percent to three.

SB 96 (Enrolled) — Emergency Telephone Users Surcharge Act

This trailer bill amends the State Emergency Telephone Users Surcharge Act to fund 9-1-1 costs:

- Authorizes the California Office of Emergency Services to implement a monthly surcharge per access lines in the state for 9-1-1 system costs no greater than \$0.80. These surcharges will fund 911 systems, including Next Generation 9-1-1 technologies.

SB 103 (Enrolled) — State Employees Memorandum of Understanding

This trailer bill provides legislative ratification of the memorandum of understanding agreed to by the state and Bargaining Unit 6, represented by the Correctional Peace Officers Association. It will give a three percent salary increase to approximately 27,694 full-time employees. The provisions of this bill will have implications for employee health benefits, compensation increases, night shift and weekend pay differentials and leave buy back.

SB 105 (Enrolled) — Corrections Facilities: Financing

This trailer bill increases CDCR's lease revenue bond authority for the construction of various Health Care Facility Improvement Projects. Specifically, this bill provides an augmentation of \$49.85 million for these projects, bringing the total for these projects up to \$1.14 billion.

Next Steps

The Legislature is expected to take up additional trailer bills this week and send them to the Governor in advance of the July 1 deadline for signature. It is unclear when trailer bills dealing with various housing-related planning, tax credits and infrastructure issues will appear in print. Bills must be in print for three days before a vote can be taken.

It is not unheard of for Legislative negotiations on trailer bills to extend past the July 1 budget deadline. Trailer bills can also be passed either before July 12, when the Legislature goes on summer recess, or after they return on August 12.

Please let me know if you have any questions.

Upcoming Bills in Committee, June 24 – July 9

June 24, 2019

Legislative policy committees are in full swing.

Many of the League's HOT bills up will be heard in committees this week, including AB 1286 (Muratsuchi), AB 516 (Chiu) and AB 213 (Reyes). The Legislature will adjourn July 12 for its summer recess, returning on Aug. 12. The League will continue monitoring several bills affecting cities.

Some hearings, if not all, will be televised. The [Senate](#) and [Assembly](#) publish weekly television schedules, but audio is always available online. In addition, many hearings are also webcast via the [California Channel](#).

Here are a number of upcoming hearings of interest to cities:

June 24

Senate Appropriations, 10:30 a.m., State Capitol, Room 4203

- **AB 252 (Daly)** Department of Transportation: environmental review process: federal program. *League position: support.*
- **AB 1266 (Rivas)** Traffic control devices: bicycles. *League position: support.*
- **AB 1637 (Smith)** Unclaimed Property Law. *League position: support.*

Assembly Natural Resources, 2:30 p.m., State Capitol, Room 447

- **SB 667 (Hueso)** Greenhouse gases: recycling infrastructure and facilities. *League position: support.*

Senate Business, Professions and Economic Development, 12 p.m. and upon adjournment of session, State Capitol, Room 3191

- **AB 1288 (Cooley)** Cannabis: track and trace. *League position: Pending support.*

June 25

Senate Public Safety, 8: 30 a.m., State Capitol. Room 4203

- **AB 1117 (Grayson)** Peace officers: peer support. *League position: pending support.*

Assembly Public Safety, 9 a.m., State Capitol, Room 126

- **SB 23 (Wiener)** Unlawful entry of a vehicle. *League position: support.*
- **SB 230 (Caballero)** Law enforcement: use of deadly force: training: policies. *League position: support.*

Senate Governmental Organization, 9:30 a.m., State Capitol, Room 4203

- **AB 41 (Gallagher)** Disaster relief: Camp Fire. *League position: support.*

Senate Judiciary, 1:30 p.m., State Capitol, Room 112

- **HOT AB 1286 (Muratsuchi)** Shared mobility devices: agreements. *League position: sponsor.*

Senate Transportation, 1:30 p.m., State Capitol, Room 4203

- **HOT AB 516 (Chiu)** Authority to remove vehicles. *League position: oppose.*

June 26

Assembly Public Employment and Retirement, 9 a.m., State Capitol, Room 444

- **SB 266 (Leyva)** Public Employees' Retirement System: disallowed compensation: benefit adjustment. *League position: oppose.*

Senate Governance and Finance, 9:30 a.m., State Capitol, Room 112

- **HOT AB 213 (Reyes)** Local government finance: property tax revenue allocations: vehicle license fee adjustments. *League position: support.*
- **AB 485 (Medina)** Local government: economic development subsidies. *League position: oppose.*

Senate Labor, Public Employment and Retirement, 9:30 a.m., State Capitol, Room 2040

- **AB 314 (Bonta)** Public employment: labor relations: release time. *League position: oppose.*
- **AB 1212 (Levine)** Public employees' retirement: pension fund management: in-state infrastructure. *League position: support.*
- **AB 1320 (Nazarian)** Public employee retirement systems: prohibited investments: Turkey. *League position: oppose.*

Assembly Government Organization, 1:30 p.m., State Capitol, Room 4202

- **SB 209 (Dodd)** Wildfires: California Wildfire Warning Center: fire-weather monitoring. *League position: support.*
- **SB 352 (Dodd)** Alcoholic beverage licensees: on-sale general licenses for bona fide eating places. *League position: pending support.*

Assembly Labor and Employment, 1:30 p.m., State Capitol, Room 447

- **SB 142 (Wiener)** Employees: lactation accommodation. *League position: oppose.*

Assembly Utilities and Energy, 1:30 p.m., State Capitol, Room 437

- **SB 515 (Caballero)** California Renewables Portfolio Standard Program: bioenergy renewable feed-in tariff. *League position: support.*

July 1

Assembly Transportation, 2:30 p.m., State Capitol, Room 4202

- **SB 137 (Dodd)** Federal transportation funds: state exchange programs. *League position: support.*

July 2

Senate Public Safety, 8:30 a.m., State Capitol, Room 4203

- **AB 1600 (Kalra)** Discovery: personnel records: peace officers and custodial officers. *League position: oppose.*

Assembly Business and Professions, 9:30 a.m., State Cpaitol, Room 4202

- **SB 142 (Wiener)** Employees: lactation accommodation. *League position: oppose.*

Senate Elections and Constitutional Amendments, 9:30 a.m., State Capitol, Room 112

- **AB 220 (Bonta)** Political Reform Act of 1974: campaign funds: childcare costs. *League position: support.*

Senate Housing, 1:30 p.m., State Capitol, Room 4203

- **AB 10 (Chiu)** Income taxes: credits low-income housing: farmworker housing. *League position: support.*

Senate Judiciary, 1:30 p.m., State Capitol, Room 112

- **AB 418 (Kalra)** Evidentiary privileges: union agent-represented worker privilege. *League position: oppose.*

July 3

Senate Environmental Quality, 9:30 a.m., State Capitol, Room 3191

- **AB 1080 (Gonzalez)** California Circular Economy and Plastic Pollution Reduction Act. *League position: support.*
- **AB 1509 (Mullin)** Solid waste: lithium-ion batteries. *League position: pending.*

Assembly Housing and Community Development, 9:15 a.m., State Capitol, Room 126

- **HOT SB 5 (Beall)** Affordable Housing and Community Development Investment Program. *League position: support.*
- **SB 672 (Hill)** Planning and zoning: regional housing need allocation: City of Brisbane. *League position: support.*

Senate Health, 1:30 p.m., State Capitol, Room 4203

- **AB 1116 (Grayson)** Firefighters: peer support. *League position: pending support.*

July 9

Senate Judiciary, 1:30 p.m., State Capitol, Room 112

- **AB 1184 (Gloria)** Public records: writing transmitted by electronic mail: retention. *League position: oppose.*

Legislature Begins Work on Trailer Bills; Housing-Planning/Homeless Related Language Not Yet in Print

June 24, 2019

Last week, the Legislature took up numerous trailer bills that help implement the main budget bill, which was approved on June 13.

Each of these bills listed in numerical order have been passed by the Legislature and are now on Gov. Gavin Newsom's desk. While AB 101 (Budget), a bill containing minor changes to housing programs was placed into print on Thursday, June 20, it lacks language dealing with various housing-related planning, tax credits and infrastructure. It is unclear whether the Legislature will pass this measure this week. Detailed descriptions of the key provisions of interest to cities, where applicable, are outlined below. The cannabis trailer bill [SB 97](#) is in print but has not yet been taken up.

SB 76 (Enrolled) – Education Finance: Constitutional Minimum Funding Obligation: Inflation and Cost-of-Living Adjustments

This trailer bill makes various changes to implement budget actions related to the Proposition 98 certification process. This bill will also provide \$282.2 million in Prop. 98 for the purposes of reducing the outstanding Prop. 98 funding owed to schools from previous fiscal years.

SB 77 (Enrolled) – Higher Education Trailer Bill

This trailer bill implements budget actions related to higher education. In brief, the bill:

- Supports a second round of state funding for local college savings account programs. Grants will be available for existing local programs and to launch new local programs. This will be administered by the California Student Aid Commission.
- Creates the California Kids Investment and Development Savings (KIDS) program, under the state Scholarshare Board, to provide state funding to open savings accounts for every low-income California child.
- Authorizes specific colleges to use \$43 million in Prop. 98 General Fund to waive fees for first-time community college students for two academic years.

SB 80 (Enrolled) – Human Services Omnibus

This trailer bill provides statutory changes related to human-services. In brief it:

- Increases the maximum aid payment amounts for CalWORKs recipients. This grant increase is intended to be the next step towards alleviating the condition of deep child poverty, defined as living with a subsistence level less than 50 percent of the Federal Poverty Level.
- Deletes the requirement that temporary shelter assistance be used in 16 consecutive calendar days in the CalWORKs Homeless Assistance Program. Instead, temporary shelter assistance can be used for 16 cumulative days every 12 months.

- Increases the CalWORKs asset limit to \$10,000 and the motor vehicle exemption to \$25,000 and ties inflation factors to these limits. The Budget Act includes \$7.5 million in 2019-20 for this purpose.
- Authorizes the Department of Housing and Community Development to provide funding to counties for allocation to child welfare services agencies to help young adults who are 18 to 24 years of age secure and maintain transitional housing, with priority given to young adults who were formerly in foster care or probation systems. This is supported with a General Fund appropriation of \$8 million in 2019-20 and on-going, subject to suspension on Dec. 31, 2021.
- Requires the Department of Aging to administer the Aging and Disability Resource Connection Infrastructure Grants Program for the purpose of implementing a No Wrong Door System (NWD). NWD systems provide information and assistance not only to individuals needing either public or private resources, but also to professionals seeking assistance on behalf of their clients and to individuals planning for their future long-term care needs.

SB 81 (Enrolled) – Developmental Services

This trailer bill provides for statutory changes necessary to enact developmental services related budget provisions. It:

- Requires the Department of Developmental Services (DDS) to submit an update of its Safety Net Plan, developed in consultation with stakeholders, on or before Jan. 10, 2020.
 - For consumers with complex behavioral needs or who are at risk of, or currently in, crisis, DDS, together with regional centers, has been developing a variety of community based resources to serve as a safety net for these consumers when regular homes and/or services cannot meet their needs.
 - The updated plan will evaluate the progress made to create a safety net, identify the further areas the stakeholder community suggests evaluating, and recommendations from the stakeholder community, and will consider new models for individuals whom private sector vendors cannot or will not serve.
- Allows the department to include community-based residential options that consist of community crisis homes for children who meet specific criteria. Also requires the department to develop guidelines around the use of restraints in community crisis homes.

SB 82 (Enrolled) – State Government

This trailer bill makes numerous statutory changes related to state administration. Provisions of most interest to cities include:

- Authorizing an adjustment of renewal fees for various Alcoholic Beverage Control Act licenses beginning in January 2021 to cover the costs of licensing and enforcement. This budget act would also help the department to improve its services and to protect communities from the harms that come with noncompliant licensed premises and service to obviously intoxicated individuals.

- Authorizing the Department of Alcoholic Beverage Control (ABC) to charge fees to cover the costs of administering a Responsible Beverage Service training program and authorizes a fee for administering the alcohol server certification exam.
- Appropriating \$2.9 million from the Alcohol Beverage Control Fund to ABC to fund the Responsible Beverage Server Training Program Act and to provide electronic services for licensees.
- Authorizing the State Public Works Board, instead of the local fire marshal, to grant exemptions for state facilities to install diaper changing stations in restrooms.
 - Allowing local agencies and schools to use the state's GS \$Mart procurement and financing process and makes other conforming technical changes to the GS \$mart program reporting. GS \$Mart is an innovative acquisition finance program designed to facilitate state agencies and local governments with installment or lease purchases, while meeting all requirements of a competitively bid process.

SB 83 (Enrolled) – Employment

This trailer bill makes various changes to implement budget actions related to labor and employment. In brief, it:

- Extends Paid Family Leave (PFL) benefits from six to eight weeks beginning July 1, 2020. Additionally, SB 83 will adopt intent language to convene a task force to develop a proposal by November 2019 to extend the duration of PFL benefits to six months by 2021–22. The proposal will also address job protections for workers and establish the goal of providing a 90 percent wage replacement rate for low-wage workers utilizing the PFL program.
- Reduces the reserve requirement for the Disability Insurance Fund from 45 percent to 30 percent.
- Authorizes \$5 million in one-time General Fund to create an outreach and education grant program for domestic workers.

SB 84 (Enrolled) – Political Reform Act of 1974: Online Filing System

This trailer bill allows for a delay in the implementation of the Cal-Access Replacement System (CARS) from Dec. 31, 2023 to February 2021. Cal-Access is a resource that provides financial information supplied by state candidates, donors, lobbyists, and others. This bill also allocates \$6.992 million from the General Fund to develop and implement CARS.

SB 85 (Enrolled) – Public Resources: Omnibus Trailer Bill

This trailer bill makes various changes to implement the resources, environmental protection, and energy budget actions. It:

- Clarifies that a fee may be charged by state and local entities for enforcement of building standards adopted by the state fire marshal relating to fire, panic safety, and other regulations.
- Specifies that Green House Gas Reduction Funds appropriated for projects to reduce air pollutants consistent with community emissions reduction programs also complement and further the rules and regulatory requirements by the Air Resources Board and local air districts.

- Establishes the Cal Fire infrastructure Projects Revolving Fund to undertake agency infrastructure improvement projects. These projects must be related to the acquisition of real property or the design, construction, alteration, repair, and improvement of facilities over which the department has jurisdiction, including equipment and furnishings.

SB 87 (Enrolled) – Transportation

This trailer bill implements budget actions related to transportation and:

- Eliminates the Local Transportation Loan Account and the Transportation Deferred Investment Fund and shifts any remaining assets and liabilities to the State Highway Account.
- Includes \$236 million in Prop. 42 loan repayment and repays outstanding transportation weight fees loaned to the General Fund.
- Makes an appropriation of up to \$7.2 million for infrastructure improvements necessary to facilitate short-line railroads becoming more compatible in supporting modern rail freight traffic.
- Gives the Caltrans inspector general the authority to examine all records, files, documents, accounts, reports, correspondence, or other property of the department and external entities that receive state and federal transportation funds from the department.

SB 90 (Enrolled) – Public Employees' Retirement

This trailer bill makes various statutory changes to implement the California Public Employees Retirement System (CalPERS) and California State Teachers' Retirement System (CalSTRS). In brief it:

- Appropriates \$2.5 billion from the General Fund to be transferred to the Public Employees' Retirement Fund, for apportionment to prescribed state employee member categories, as directed by the Department of Finance (DOF).
 - These supplemental payments would be applied to unfunded state liabilities for enumerated state employee member categories
- Appropriates \$904 million General Fund in 2018–19 to be transferred to the Public Employees' Retirement Fund for payments relating to school employers' contributions and unfunded liabilities
- Appropriates \$2.25 billion from the General Fund to the Teachers' Retirement Fund for the Defined Benefit Program. This will result in employers having to contribute 1.03 percent less than the amount currently required for 2019–20 (estimated to about approximately \$500 million) and .70 percent less in 2020–21 (approximately \$350 million).
 - The remainder of the amount (approximately \$1.6 billion) provided would make a supplemental payment to reduce the employers' share of the unfunded pension liability.
- Appropriates a total of \$2.9 billion Prop. 2 Funds in 2019–20 through 2022–23 to pay down the state share of the CalSTRS unfunded liability.

AB 91 (Enrolled) – Income taxation: Loophole Closure and Small Business and Working Families Tax Relief Act of 2019

This trailer bill is regarding income taxation. These provisions are estimated to have net General Fund

revenue impacts in 2019–20 of \$1 billion and \$680 million in 2020–21. In addition, the revenue generated by this bill is estimated to provide an additional \$1 billion total to schools through an increased Prop. 98 minimum funding level. Specifically, it:

- Expands the California Earned Income Tax Credit (CalEITC):
 - It will increase to the maximum eligible earned income to \$30,000;
 - Revises the calculation factors to increase the CalEITC for specified tax payers; and
 - Provides a refundable young child tax credit to a qualified tax payer up to \$1,000.
- Provides tax relief to small businesses, students, and individuals with disabilities:
 - Eliminates differences in qualification criteria for Achieving a Better Life Experience Accounts (ABLE) between federal and California tax law. ABLE accounts are state-sponsored tax free savings accounts for disability-related expenses.
 - Increases the following thresholds for small businesses:
 - From \$5 million to \$25 million the amount of average annual gross receipts of a small business to be allowed to use the cash method of accounting;
 - From \$10 million to \$25 million the amount of average annual gross receipts of a taxpayer exempt from provisions precluding the deductibility of certain property costs and determining whether those costs are inventory costs or are capitalized; and
 - Exempts a small business with average annual gross receipts not exceeding \$25 million from provisions that require a taxpayer to take inventories to clearly determine their income.
 - Excludes from an individual's gross income the amount of student loan indebtedness discharged on or after Dec. 31, 2017, due to death or disability of the student, as provided.
- Limits "like-kind" exchange treatment to real property, subject to limited exceptions for middle-income tax payers.
- Disallows the use of net operating loss (NOL) carrybacks by individual and corporate taxpayers.

SB 92 (Enrolled) – Taxation

This trailer bill measure includes a number of provisions related to taxation:

- Exempts children's diapers and menstrual hygiene products from sales and use tax collections for sales between Jan. 1, 2020 and Jan. 1, 2022. Requires the DOF to calculate and backfill losses of county realignment funds. Requires the Legislative Analyst's Office to evaluate the effectiveness of this exemption, consider ways to make it more targeted and report to the Legislature on or before Jan. 1, 2021.
- Requires the Office of Tax Appeals at the Department of Tax and Fee Administration to establish a process for a person with a claim of less than \$5,000, or an entity with gross receipts of less than \$20 million filing a claim for less than \$50,000, to opt to appear before a single administrative law judge.
- Makes minor technical and other changes to implement AB 147 (Burke), Chapter 5, Statutes of 2019, which established California's process for collection of use taxes following the *Wayfair* decision. Limits liability for uncollected taxes to three years for a qualifying retailer meeting

specified conditions.

SB 93 (Enrolled) – Budget Act of 2018: Augmentation

This trailer bill would appropriate \$112.6 million to the California Department of Corrections and Rehabilitation (CDCR) for spending shortfalls encountered in the 2018–19 fiscal year.

SB 94 (Enrolled) – Public Safety: Omnibus

This trailer bill relates to the implementation of public safety related budget actions:

- Transfers the Division of Juvenile Justice Facilities from CDCR to the Health and Human Services Agency and establishes the Department of Youth and Community Restoration as of July 1, 2020.
- Creates a committee of the Child Welfare Council to provide recommendations and input on the newly created Department of Youth and Community Restoration.
- Establishes the California Reentry and Enrichment Grant program to provide grants to community based organizations that provide rehabilitative services to incarcerated individuals within correctional settings.
 - Provides a six month extension of AB 1065 (Jones-Sawyer, Statutes of 2018) extending it until July 1, 2021. AB 1065 created a new Organized Retail Crime felony in California law. This expanded the jurisdiction to prosecute cases of theft or receipt of stolen merchandise. This bill also required the California Highway Patrol to convene a regional property task force and authorizes a grant program, upon appropriation by the Legislature, to create demonstration projects to reduce recidivism to high-risk misdemeanor probationers.

SB 95 (Enrolled) – Courts

- This trailer bill allocates 25 of the 48 judgeships effective in the 2019–20 fiscal year, thereby reducing the total number of judgeships yet to be allocated to 23. This bill would also increase trial courts reserve amount from one percent to three.

SB 96 (Enrolled) – Emergency Telephone Users Surcharge Act

This trailer bill amends the State Emergency Telephone Users Surcharge Act to fund 9-1-1 costs:

- Authorizes the California Office of Emergency Services to implement a monthly surcharge per access lines in the state for 9-1-1 system costs no greater than \$0.80. These surcharges will fund 911 systems, including Next Generation 9-1-1 technologies.

SB 103 (Enrolled) – State Employees Memorandum of Understanding

This trailer bill provides legislative ratification of the memorandum of understanding agreed to by the state and Bargaining Unit 6, represented by the Correctional Peace Officers Association. It will give a three percent salary increase to approximately 27,694 full-time employees. The provisions of this bill will have implications for employee health benefits, compensation increases, night shift and weekend pay differentials and leave buy back.

SB 105 (Enrolled) – Corrections Facilities: Financing

This trailer bill increases CDCR's lease revenue bond authority for the construction of various Health Care Facility Improvement Projects. Specifically, this bill provides an augmentation of \$49.85 million for these projects, bringing the total for these projects up to \$1.14 billion.

Next Steps

The Legislature is expected to take up additional trailer bills this week and send them to the Governor in advance of the July 1 deadline for signature. It is unclear when trailer bills dealing with various housing-related planning, tax credits and infrastructure issues will appear in print. Bills must be in print for three days before a vote can be taken. It is not unheard of for Legislative negotiations on trailer bills to extend past the July 1 budget deadline. Trailer bills can also be passed either before July 12, when the Legislature goes on summer recess, or after they return on Aug. 12.

As Governor Plans to Sign Budget, Legislature Continues Work on Trailer Bills

Cannabis Trailer Bill Approved; Housing and Homeless Trailer Bills to Come

June 27, 2019

With the July 1 deadline for Gov. Gavin Newsom to sign the budget only days away, the Legislature continued to take up numerous trailer bills this week to implement the main budget bill, which was approved on June 13.

Some trailer bills also passed last week. Among the items approved this week was the cannabis trailer bill, AB 97, with key provisions related to provisional licensing, local equity grants, and penalties against unlicensed cannabis activity. Language regarding the anticipated housing and homeless trailer bills, AB 101 and AB 102, is expected to be released Thursday afternoon.

Below are the trailer bills, listed in numerical order, approved by the Legislature this week and are now on the Governor's desk. Detailed descriptions of the key provisions of interest to cities, where applicable, are outlined below.

SB 75 (Enrolled) – Education Finance: Education Omnibus Budget Trailer Bill

This is the K-12 and Early Education Omnibus trailer bill which contains various statutory changes necessary to implement the 2019–20 budget. This bill appropriates funding for education programs totaling approximately \$1.2 billion. Specifically, the bill:

- Provides \$300 million in one-time General Fund for the Full-Day Kindergarten Facilities Grant program.
- Changes the eligibility requirements for the state preschool program to provide priority access to full-day state preschool program slots to income eligible families with a need for full-day care with remaining full-day slots available for other income eligible families.
- Requires the secretary of the Health and Human Services, in concurrence with the executive director of the State Board of Education to contract for research to create a Master Plan to ensure comprehensive and affordable child care and universal preschool.
- Establishes the Early Learning and Care Infrastructure Grant Program to provide grants to child care and early education providers to build new facilities, or retrofit, renovate, or expand existing facilities. This bill would appropriate \$142.7 million to be expended over five years in equal amounts per year in addition to \$102.3 in federal funds appropriated through the budget act for this program.

- Establishes the Early Learning and Care Workforce Development Grant Program to expand the number of qualified early learning and care professionals and increase education credentials for existing professionals. Appropriates \$195 million for this program to be expended over five years in equal amounts per year.

SB 78 (Enrolled) – Health

This trailer bill is an omnibus health trailer bill which makes statutory revisions affecting health programs. In brief, the bill:

- Creates the Minimum Essential Coverage Individual Mandate to require an individual who is a California resident to ensure that the individual, and any spouse or dependent of the individual, is enrolled in and maintains minimum essential health care coverage for each month beginning on and after Jan. 1, 2020.
 - Requires the California Health Benefit Exchange (Covered California) to grant exemptions from the mandate for reason of hardship or religious conscience, and would require Covered California to establish a process for determining eligibility for an exemption.
 - Imposes the Individual Shared Responsibility Penalty for the failure to maintain minimum essential coverage, as determined and collected by the Franchise Tax Board, in collaboration with Covered California.
- Establishes a program within the Health Benefit Exchange (Covered California) to provide state subsidies to assist individuals with incomes under 600 percent of the federal poverty level (FPL) afford health insurance.
- Implements several grant programs to local health jurisdictions, with no less than 50 percent of the funding being provided to community-based organizations. These grants will be related to the prevention of sexually transmitted diseases, human immunodeficiency virus (HIV), and hepatitis C.
- Creates a Value-Based Payments program to provide supplemental incentive payments to Medi-Cal providers to meet metrics related to behavioral health integration, chronic disease management, prenatal and postpartum care, and early childhood preventive services.
- Extends the availability of \$50 million in funding for the Health Home Program (HHP) until July 1, 2024.
 - The HHP is designed to serve eligible Medi-Cal beneficiaries with complex medical needs and chronic conditions who may benefit from a full range of physical health, behavioral health, and community-based long-term services and supports needed by eligible beneficiaries.

SB 79 (Enrolled) – Mental Health

This trailer bill makes necessary changes to implement the 2019–20 budget related to mental health programs administered by the Mental Health Services Oversight and Accountability Commission. It allows a county to encumber Mental Health Services Act funds for innovative programs that provide local assistance for designated mental health programs so long as they are encumbered under the terms

of the program plans or until three years after the date of approval. The bill also eliminates the prohibition on the use of state funds for early psychosis and mood disorder detection and intervention programs.

AB 97 (Enrolled) – Cannabis

This trailer bill contains statutory provisions related to cannabis which:

- Extends the California Environmental Quality Act (CEQA) exemption through July 1, 2021:
 - Currently, CEQA does not apply to the adoption of an ordinance, rule, or regulation by a local jurisdiction that requires review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity.
- Addresses provisional licenses:
 - Extends the repeal date for provisional licensing to Jan. 1, 2022.
 - Modifies the applicant requirements to provide evidence of compliance with local ordinances. These modifications include:
 - Requiring a provisional license to be valid for no more than 12 months from the date it was issued.
 - Requiring a licensing authority to include the outstanding items needed to qualify for an annual license if renewing a provisional license.
 - Authorizing a licensing authority to renew provisional licenses annually until the licensing authority issues or denies the provisional licensee's annual license.
 - Authorizing a licensing authority to revoke or suspend a provisional license if the licensing authority determines the licensee failed to actively and diligently pursue requirements for an annual license.
 - Requiring a licensing authority to cancel a provisional license upon issuance of an annual license, denial of an annual license, abandonment of an application for licensure, or withdrawal of an application for licensure.
- Addresses the Cannabis Appeals Panel statute:
 - The Medicinal and Adult Use Cannabis Regulation and Safety Act establishes the Cannabis Control Appeals Panel that reviews decisions of licensing authorities appealed by any person aggrieved by those decisions.
 - Clarifies that the Cannabis Control Appeals Panel is established in the Business, Consumer Services, and Housing Agency.
- Enhances equity grants:
 - Authorizes the Governor's Office of Business and Economic Development to administer on behalf of the Bureau of Cannabis Control (BCC) provisions related to the review and granting of funding for cannabis equity programs.

- Eligible local jurisdictions may submit an application to BCC for a grant to assist with the development of an equity program or to assist local equity applicants and local equity licensees through that local jurisdiction's equity program.
- Local Equity Programs are programs adopted or operated by a local jurisdiction that focus on the inclusion and support of individuals and communities in California's cannabis industry who are linked to populations or neighborhoods that were negatively or disproportionately impacted by cannabis criminalization.
- Authorizes penalties against unlicensed activity:
 - Authorizes a licensing authority to issue a citation to a licensee or unlicensed person for any violations of existing law or regulations related to the Control, Regulate and Tax Adult Use of Marijuana Act of 2016.
 - Authorizes licensing authorities to assess administrative fines not to exceed \$5,000 per violation for licensees and \$30,000 per violation for an unlicensed person, each day.
 - Requires proceeds from citations to be used for the recovery of investigation and enforcement costs and to be deposited into the Cannabis Control Fund.
- Requires the State Department of Public Health to establish a certification program for manufactured cannabis products no later than July 1, 2021. Previously, the Department of Food and Agriculture was the sole determiner of designation and certification for cannabis.

SB 104 (Enrolled) – Health

This trailer bill makes statutory changes affecting health programs. In brief it, expands full-scope Medi-Cal eligibility for adults age 19 to 25 regardless of immigration status beginning July 1, 2019. The bill will also establish the Healthy California for All Commission effective July 1, 2019 which will serve as an independent body to develop a plan for advancing the progress towards achieving a health care delivery system including, but not limited to, a single payer financing system for all Californians.

SB 106 (Enrolled) – Budget Act of 2019

This is the Budget Bill Jr. which makes minor technical changes to the 2019 budget. This bill will increase appropriations in the 2019-20 fiscal year by \$285 million. Provisions of most interest to cities include:

- Appropriation of \$428.6 million (an increase of \$133.4 million) General Fund to Covered California to provide premium assistance subsidies to individuals with household income at or below 600 percent of the federal poverty level (FPL).
- Appropriation of \$5 million General Fund to California Health and Human Services for the Healthy California for All Commission.
- Allocation of \$5 million in one-time General Fund to California Health and Human Services to conduct research to inform the development of a Master Plan for Early Learning and Care to support comprehensive and affordable child care and universal preschool in California.

Next Steps

Trailer bill language regarding housing is expected to be released Thursday afternoon. It is anticipated that the housing trailer bills will be voted on early next week. While July 1 is the signature deadline for the Governor to approve the budget, it is not unheard of for Legislative negotiations on trailer bills to extend past this deadline. Trailer bills can also be passed either before July 12, when the Legislature goes on summer recess, or after they return on Aug. 12.
