

Notice of Right to Reasonable Accommodation

You may request a reasonable accommodation if you have a disability and as a result of your disability, you need:

- A change in the rules or policies to give you an equal opportunity to use the facilities of or take part in the Section 8 program, or
- A change in the way we communicate with you or give you information.

The Garden Grove Housing Authority may grant your request if you can show that you have a disability and your request is reasonable.

We will provide you with an answer within 10 working days unless there is a problem getting the information we need or you agree to a longer time. We will let you know if we need more information from you or if we would like to discuss with you other ways to meet your needs.

A reasonable accommodation request may be made orally or in writing. However, it is usually helpful if the request is made in writing. This will help prevent misunderstanding regarding what is being requested, or whether the request was made.

I have read this notice and understand my right to reasonable accommodation.
